## COMMENDATORY.

BY REV. JOHN CARROLL, D.D.

---

THE circumstances of my past life, rather than any extraordinary talents or wisdom native to myself, authorize me to speak in relation to the contents of the following pages. The whole of my existence, except a few short intervals, has been spent in what we now call the Dominion of Canada. Fifty-five out of the seventy years of my life I have been an accredited Methodist. My childhood was nurtured by the Methodist ministry of the Genesee Conference; my membership began while that Conference still exercised jurisdiction in Upper Canada; my labours on a circuit, fifty years ago, began before our connection with the Methodist Episcopal Church of the United States was dissolved; the whole of my half century of ministerial labour has been spent, despite all the changes, in connection with the largest or central body of Colonial Methodism; and twenty-five of those years I held an official position, which gave me large opportunities of observation. Then, I have been led necessarily to study the history and working of Canadian Methodism, and to contemplate the lives and character of hundreds and hundreds of its ministers and members in preparing at least eight or ten books, greater or smaller, relating to these subjects. The above circumstances, without any assumption on my part, will, perhaps, lend some little weight to the testimony I now give.

The compiler of this Cyclopædia, the Rev. Geo. H. Cornish, I hold to be pre-eminently qualified, by natural aptitude, taste, and long practice as a Statistician, for the work of Cyclopædist. I have not read every line of this volume, but I was familiar with almost every line of its basis and precursor, the original "HANDBOOK OF CANADIAN METHODISM;" and I combed over various parts of the present work while it was in course of preparation; besides often being referred to, and making researches, coincidently with the author, in relation to many matters treated of in the "HANDBOOK," to correct or verify, as the case might be. I feel, therefore, great confidence and pleasure in saying, in the strongest language possible, that I regard the "Cyclopædia" to be an indispensable necessity to every minister, member, and adherent of the METHODIST CHURCH OF CANADA, who would acquire that knowledge of her history, situation and resources necessary to perform his duty to the Church intelligently and well.

I make the above disinterestedly and with heartiness; indeed, through the unhappy disposition of most Methodists to reduce their purchases of their

own literature to the most contracted minimum, this work will naturally tend to rival and limit the circulation of my own works. Therefore, I even write against my own interests when I say, with my whole heart, that I do hope, whatever becomes of mine, that there will not be a Methodist family from Newfoundland to British Columbia, and from the Lakes to the Frozen Ocean, without a copy of the "CYCLOPÆDIA."

EIGHTEEN years' devoted to labourious Mission and Circuit work, have passed away since we began to collect, in definite form, the contents of this volume. The work was begun from a felt personal need of such a collection of facts, and from a conviction that a volume containing, in connected form, a list of the Circuits on which each minister had been stationed, the period of his reception on trial, ordination, etc., together with historical, educational and statistical information, would be very valuable as a work of reference, and help to preserve the memory of those men whose unblemished lives have adorned the doctrines of the Gospel, and whose faithful, self-denying labours have been successful in leading thousands to Christ.

The careful student of Methodist history will find in these pages sufficient to encourage, admonish and instruct him. The trials and triumphs of the heroes of Young Canadian Methodism are not forgotten. They are precious memories of the past—memories embalmed in the gratitude of the tens of thousands who have been saved and profited through their ministry. A more noble and glorious class of men than the Methodist pioneers of this country cannot be found this side the Apostles. They excel in some particulars even the noble men of the Lutheran Reformation. Their courage, their zeal, their self-devotion, their power with God and men, and the wonderful and immediate effects produced by their preaching, can scarcely find a parallel in all past history.

The results of Methodism in the social, civil and religious interests of the world, are not appreciated—are not known even. Indeed they cannot be till the great balance sheet shall be made up. Methodism saved England from French atheism and anarchy; the United States from antinomianism and a licentious liberalism; and Canada from a State ecclesiasticism. It has saved the Protestant Churches of Great Britain and America from the stupor of the dark ages. Those blessed men who were the immediate instruments of this great salvation are worthy of monuments more enduring than the pyramids of Egypt. The fragrance of their memory will be as fresh a thousand years hence as it is now; never, never lost—rather increasing in its preciousness till Gospel triumphs shall culminate in glory.

In the year 1867 we published the "HANDBOOK OF CANADIAN METHODISM," which contained a full record of all the ministers and preachers whose names had appeared in the Minutes of Conference down to that date, together with those who travelled in Canada under the direction of the Methodist Episcopal Church of the United States of America, prior to the formation of the Canada Conference, and those who laboured under the direction of the British Wesleyan Conference.

The thirteen years which have passed since the issue of that volume have not been years of idleness or unfruitfulness. Methodism, as will be seen from the tabulated statements herein contained, has wonderfully prospered. The "Conference of Eastern British America," the "Conference of the Methodist New Connexion," and the "Conference of the Canada Wesleyan Methodists," have become amalgamated under the name of the "METHODIST CHURCH OF CANADA." We have therefore deemed it advisable to enlarge and extend the "HANDBOOK" to the Annual Conferences of 1880, under the name of the "Cyclopædia of Methodism in Canada," so as to include the names of the ministers, and the statistics of the three bodies. In many respects this has proven to be a very difficult task, owing in part to the great extent of territory to be examined and the difficulty of obtaining the earlier records of the Churches.

It will be noted that in Book I. we have given the Alphabetical List of each of the three Conferences, distinct, down to 1874; and in Book II. each of the Six Annual Conferences, from the Union of 1874 to 1880.

Great care has been taken to have every item as correct as possible; and to accomplish this, the Minutes of the Conferences of the Methodist Episcopal Church, U. S., Vol. I., 1773 to 1813; Minutes of the Canada, Eastern British American, and New Connexion Conferences; several of the English Minutes, and Magazines; the written Journals of the Lower Canada District; the Reports of the Missionary Society; Douse's Register; Hill's Arrangement; Playter's History of Methodism; Carroll's Past and Present; Stevens' Life of Dr. Bangs; Savage's Life of Rev. Wm. McClure; Smith's History of Methodism in Eastern British America; Carroll's Case and his Co-temporaries; Memorials of Methodist Preachers, by G. O. Huestis; Webster's History of the M. E. Church in Canada, etc., have all been diligently examined: and without encumbering the work with numerous references to these volumes, the Compiler, would here acknowledge his indebtedness to them, and at the same time tender his hearty thanks to those brethren who have from time to time given him much private information and advice, and to many who have so kindly and promptly responded, by letter or post card, to his inquiries. To my dear friend and brother, the Rev. John Carroll, D.D., I would also tender my special thanks for his valuable help and many kind words.

And now having, in the good providence of God, been permitted to complete this volume, we cherish the hope that it will supply an acknowledged want in reference to the Statistics of Methodism, and prove useful as a work of reference to every minister and member of the Church.

Praying that Methodism may continue to move onward in its march of glorious triumph, until all flesh shall see the salvation of God, this volume is commended to the patronage of the Church, confidently relying upon their help and support in securing for it a large circulation.

# INTRODUCTION:

BEING AN EPIHOME OF

## The History of Central Methodism

IN THE

### BRITISH NORTH AMERICAN PROVINCES,

FROM ITS BEGINNING IN EACH PROVINCE DOWN TO 1874.

BY THE

REV. JOHN CARROLL, D.D.,

*Of the Toronto Conference.*

METHODISM was the result of a revival, or a quickening of sundry clergymen of the Established Church of England, and others, into a more exalted state of spiritual life, which commenced within the first quarter of the eighteenth century, in England. At first its adherents consisted of spiritually-minded members of different religious communities, whose common experience of the love of God shed abroad in their hearts constituted a sympathetic tie among them. Methodism's first organized embodiment was in the "United Societies," banded together "in 1739," and which existed "first in Europe, and then in America."

In the United States these were consolidated into an independent ecclesiastical body, under the name of the "Methodist Episcopal Church." Although nominally "Episcopal," and presenting the distinction and names of the three clerical orders, which obtained as early as the patristic age—namely, those of "bishops," "elders" and "deacons"—its bishops were simply elders, set apart to the office of "General Superintendents" over the rest, as a useful arrangement, and not as possessing any essential superiority over their fellow-presbyters by "*divine right*." This was the act of John Wesley, who only claimed himself to be a *presbyter* of the *Church of England*.

In Britain, although Mr. Wesley ordained certain of his preachers to dispense the Sacraments, under certain circumstances, Methodism did not assume a nominal Church status, distinct from others, until after Mr. Wesley's death, subsequently to which it gradually crystallized into an ecclesiastical organization, with the conditions, appliances, and style of the "Wesleyan Church."

Newfoundland, the most easterly of the colonies, was the first to receive an essential, though peculiar, modification of Methodism. It was introduced into that island by Laurence Coughland, one of the three Irishmen to whom we owe the plantation of Methodism in America, in three several places, the other two being Embury and Strawbridge. Mr. Coughland had been received on trial as a travelling preacher by Mr. Wesley in 1755, and laboured very successfully in that relation until 1764, when he obtained ordination from Erasmus, a Syrian Bishop, in London, England. In 1765 we find him in Newfoundland (thus taking priority of Embury and Strawbridge by one year), but under whose auspices he commenced his career of colonial evangelization, it is hard to determine with certainty. He at first located himself at Conception Bay, and afterward extended his labours to Harbour Grace, Carbonear, and Black Head. After returning to England for a space, to receive orders from the Bishop of London, he dispensed the ordinances as a regular clergyman, and preached with marked demonstration and power. In 1767, Lady Huntingdon's Missionary Society took him under their patronage and pay. His labours were divinely owned in producing a very great revival in the various settlements of the islands; and Mr. C. adopted Mr. Wesley's Society arrangement as a means of disciplining and watching over his spiritual children; keeping up a friendly correspondence with the fount. † the Methodist Societies during the whole time of his sojourn in the colony. In 1772 Mr. Coughland began to look "homewards," and in 1773 he left Newfoundland. In 1776 he was minister of Cumberland Street Chapel, London, England. Some time after he applied to Mr. Wesley for a circuit, but the "Master bade him rest from his labours."\* The work in the island was aided in Coughland's time, and to a certain extent kept up afterward, by sundry Methodist local preachers who came to the island, or were raised up therein.

In 1785 an itinerant preacher was sent by Mr. Wesley to the colony direct. This was John McGeary, who did not remain very long. In 1799 the British Conference sent James Bulpit to succeed McGeary and carry on the mission. The work of salvation received a great impulse there at several different periods, by the visits and efficient ministrations of William Black, from Nova Scotia, to whom, and whose province with the neighbouring ones, we must now turn our attention.

Methodism in Nova Scotia came into existence with Mr. Black's conversion in 1779, and was greatly promoted by his instant and unremitting labours as a preacher. The instruments of his personal salvation were some newly arrived Yorkshire Methodists, and the perusal of the Rev. John Wesley's Sermons. He opened a correspondence with this father in the Gospel, with whom he held epistolary intercourse till Mr. Wesley's death in 1791. But the existence of American Methodism was known and acknowledged by Black, who visited Coke and Asbury at the celebrated Christmas Conference of 1784. In 1791, the very year that an itinerant preacher was regularly deputed to Upper Canada, he again visited Philadelphia and New York, and received ordination (first as deacon, and then as elder) from Dr. Coke, and obtained six additional

\*Abridged from T. Watson Smith's History.

missionaries from the Republic for the colonies. The staff of preachers for that year (1791-32) stood in the American Minutes as follows:—

William Black, Elder.  
 Halifax—William Jessup, John Mann.  
 Liverpool—Thomas Whitehead.  
 Shelburne—William Early.  
 Cumberland—Benjamin Fidler.  
 Newport—John Cooper.  
 St. John—John Ragan.  
 Annapolis—James Boyd.

Previous to this, American preachers had been appointed to the Eastern Provinces from time to time, among whom were Freeborn Garrettson and James O. Cromwell. All the preachers in those provinces who were ordained in America, down to 1802, were ordained by the bishops of the Methodist Episcopal Church of America, and one or two afterwards.

New Brunswick, Prince Edward Island, and Cape Breton received Methodism and its institutions from Nova Scotia during the foregoing lapse of time.

By 1804 all the American preachers were withdrawn from these provinces, and as far as supplied at all, they were supplied from England, their names appearing in the English Wesleyan Minutes, the Wesleyan usages and terminology being thenceforth employed. The work from New Brunswick, eastward to Newfoundland, stood as Missionary Districts connected with the British Conference. In 1855 those districts were organized into a Wesleyan Conference, affiliated to the British Conference, under the style of the "Conference of Eastern British America." When that Conference was created there were 70 circuits and missions, 88 ministers, 102 local preachers, 222 chapels, 393 other preaching places, 1,162 day scholars, 91,114 Sunday-school scholars, with 13,136 members in Church fellowship, and an estimated attendance of 65,690 on public worship.

The work in that part of North America continued to stand in that relation until 1874, when it was merged in the comprehensive organization known as the "METHODIST CHURCH OF CANADA," and divided, for administrative purposes, into three Annual Conferences—namely, Nova Scotia, New Brunswick and Prince Edward Island, and Newfoundland Conferences.

In the Province of Canada, a few local preachers represented Methodism before 1790; a Mr. Tuffy, of the British Connexion in Quebec, for a time, and Messrs. McCarty, Lyons, and Neal in the upper part of the Province. That year, William Losee, a preacher on trial for the ministry of the Methodist Episcopal Church in the United States, but without a definite appointment, being left "to range at large," came into the St. Lawrence and Bay Quinté country, preached, formed some classes, and bore back with him petitions for his re-appointment. The next year, in 1791, the year the Upper Canada Provincial Act was promulgated, Mr. Losee returned, having been regularly stationed in the Kingston Circuit by the New York Conference. The following year Mr. Losee received deacon's orders, and was returned to the Province by the same authority as before, being also accompanied by an-

other minister in elder's orders—the Rev. Darius Dunham. Mr. Dunham took the Cataraqui Circuit, and Mr. Losee the Oswegotchie. By 1799 there was a Presiding Elder's District, with three Circuits and four preachers. The circuits and incumbents were as follows :—

Bay Quinte—Darius Dunham, P. E.  
 Oswegotchie—Samuel Coate.  
 Niagara—James Coleman, Michael Coate.

The preachers for Canada sometimes stood in connection with one American Annual Conference, and sometimes another; or sometimes those in Lower Canada were related to a different Conference from those in Upper Canada, but both were always connected with the Methodist Episcopal Church in the United States until 1812, when the American war broke out. In 1810 a new Conference was organized, called the Genesee Annual Conference, and the Canada preachers were mostly comprehended within its boundaries—Upper Canada always until 1824. At the opening of the Conference year 1812-13, all the preachers in Canada excepting those on the border circuits, Dunham and Stanstead, stood connected with this Conference, and a Presiding Elder's District staff designated to each Province. The stations and preachers for Lower Canada were as follows :—

Nathan Bangs, Presiding Elder.  
 Montreal—Nathan Bangs.  
 Quebec—Thomas Burch.  
 Ottawa—Robert Hibbard.  
 St. Francis River—Samuel Luckey, Israel F. Chamberlain.

Nathan Bangs, Samuel Luckey, and Israel F. Chamberlain, being American citizens, turned back on account of the war. Robert Hibbard, although an American, having been in the country the year before, and having formed a tender attachment in it, and not likely to be molested, as being far from the lines, remained; but during the first autumn, in a journey made to serve the interests of his previous year's circuit, was drowned in the St. Lawrence, near Montreal. Thomas Burch, who was a British-born subject, came forward to his work, but took the place of Nathan Bangs, in Montreal, as being the most important, and went at first to Quebec occasionally; but after some months he ceased to go altogether, of which the reader will please to take note.

The Rev. Henry Ryan was the Presiding Elder of the Upper Canada District, in charge of seven circuits and twelve preachers. Several of these had been American citizens, but we have no evidence that any of them went out of the Province on that account, during the war, excepting George W. Densmore; but two who had come in from the States, and were regarded as Americans, were not found in the itinerant ranks at its close, although they afterward returned to the work—these were Isaac B. Smith and Joseph Gatchell. Ryan supplied their places by local preachers, and also took charge of Montreal and Ottawa, in Lower Canada, for both of which he provided.

The Quebec Methodists became dissatisfied at their long season of destitution of Gospel ordinances, and applied to the Chairman of the Nova Scotia

District for a supply, and through his representations a minister was sent from the British Conference, the Rev. John B. Strong, who arrived in June, 1814. The larger part of the Society in Montreal, no doubt on account of prejudices created by the war, also desired to be supplied by a preacher from the British Conference. In answer to that request, the Rev. Richard Williams arrived in that city in 1815, about the time that Thomas Burch returned to the United States. The majority of the Society siding with the British missionary he was put in possession of the chapel, under the plea that the funds by which it was principally erected were raised among the Methodists of England. With them it remained. A preacher, however, was provided for the American sympathizing minority, who worshipped in a public hall until the difficulty was settled between the American and the British Conferences, which was not until the year 1820. By that time upon one plea or another, British preachers had established themselves in other parts of Lower Canada, and as far west in Upper Canada as Niagara and St. Catharines, including such intermediate places as Bay Quinté, Kingston, Johnstown, Cornwall and York.

The adjustment of the difficulty at the time above mentioned (1820) was effected by allotting the Upper Province to the American preachers, and the Lower Province to the British, who were respectively under the jurisdiction of the Conference, each of his several country—excepting that a British missionary was allowed to remain in Kingston, because of the soldiers at the fort, and that the American Conference supplied the people on the Lower Canada side of the Ottawa river. For a period of twelve years, or until 1832, there was no attempted disturbance of this arrangement, each regarding the other as a co-ordinate Methodist Church on its own specified ground. Mr. Wesley's old maxim was re-affirmed, namely, "Methodism is one all the world over."

Four years after—that is to say, in 1824—the Upper Canada work, consisting of thirty-five ministers and preachers, and six thousand one hundred and fifty members, was placed under an Annual Conference of its own. After a series of discussions and agitations, the Annual Conference (intending to retain the Episcopal form of Methodism in Upper Canada), principally for *civil* and *national reasons*, asked for a peaceable separation from the parent Connexion in the United States. This was finally consented to at the General Conference in 1828, and in the following October the Canada Conference organized itself into a "METHODIST EPISCOPAL CHURCH IN CANADA." Although its constitution provided for a bishop, and three at least were elected, neither of them accepted the office, or was ordained. The functions of the General Superintendency, except ordinations, were performed by the Rev. William Case, who was appointed to that office *pro tempore*.

After the lapse of four years—that is to say, in 1832—the British Conference, believing that their compact with the American Conference about territorial lines was dissolved by the Canada Church having gone out from under its jurisdiction, and that the Provincial Church had more missionary ground than it had men and means to cultivate, as shown by their appealing to the English public for funds to carry on its expanding Indian Missions, determined to oc-

occupy any openings in the Upper Province that presented themselves. To discover where such openings were, one of the missionary secretaries, the Rev. Robert Alder, was sent out as a deputation to make enquiry. He was invited to remain and confer with the approaching session of the Canada Conference, which sat in Hallowell, now Picton, in the month of August, 1832. The deliberations between him and the Conference led to the proposal of preliminary Articles of Union with the British Conference. A delegate was sent to England, and with slight modifications, which were all in favour of Canada, the Articles were accepted by the British Conference, and were accompanied in their return by two of its eminent ministers. The union was finally ratified in York, now Toronto, in the month of October, 1833.

The arrangement embraced the change of the Church's name from "METHODIST EPISCOPAL" to "WESLEYAN METHODIST;" the substitution of an Annual Presidency for a life-long Episcopacy; the compression of two orders into one; the discontinuation of the ordination of local preachers, and the substitution of a Local Preachers' Meeting for a District Conference. The missions were placed in a more immediate connection with the British Conference, which was responsible for the funds necessary for carrying them on, the sums raised in Canada for missionary purposes being considered as auxiliary to those of the "British Wesleyan Missionary Society." These, with some minor details, were carried, after carefully observing all the required provisos, by constitutional majorities, both in the Annual and General Conferences, and finally by a unanimous rising vote in the Conference of 1833. The Rev. George Marsden, of the British Conference, became the first Wesleyan President; and the Rev. Joseph Stinson, appointed by the same authority, was installed as Superintendent of Missions. All the details which affected the laity and local preachers, which had to be submitted to the Quarterly Conferences, received the required majority of suffrages to make them constitutionally valid during the year 1833-34, and the new Discipline was immediately published. This Union measure, however, gave occasion to some dissatisfied persons—mostly local preachers at first—within the next two or three years, to enter into a new organization, adopting the old name, and claiming to be the original "Methodist Episcopal in Canada," whose name and constitution had been legally changed into that of the "Wesleyan Methodist Church in Canada."

After the lapse of some years—that is to say, in 1840—the British Conference withdrew from its co-operation with the Canada Conference, and remained in a state of separate operation seven years, but the form and name of the Wesleyan Methodist Church remained intact with the Canada Conference during the period referred to. In 1847 the union was restored, substantially, in its old form, and the two classes of Wesleyan Methodist Societies were consolidated. In 1854, by special arrangement between the British and Canadian Conferences, the Lower Canada District and the Hudson's Bay Missionary District, both of which had stood in immediate connection with the British Wesleyan Conference, became part and parcel of the "Wesleyan Methodist Church in Canada."

In 1874, the Conference of the Wesleyan Methodist Church in Canada,

the Wesleyan Conference of Eastern British America, and the Canada Conference of the Methodist New Connexion Church, after some months of negotiation, organized themselves into one united body under the name and style of the "METHODIST CHURCH OF CANADA," dividing the work into six Annual Conferences—namely, "London," "Toronto," "Montreal," "Nova Scotia," "New Brunswick and Prince Edward Island," and "Newfoundland," with a delegated General Conference to meet quadrennially, and to consist of equal numbers of ministerial and lay delegates.

The past of Methodism has been a grand success, for it has been a constant exhibition of the "glorious Gospel of Christ." Its triumphs will culminate amid the effulgence of the latter-day glory. For His is the kingdom, the power and the glory, forever and ever. Amen.

### Conferences held in Canada

FROM 1824 TO 1874,

SHOWING THE PLACE WHERE HELD, AND THE NAMES OF THE VARIOUS  
OFFICERS FOR EACH YEAR.

THE term "Conference" was applied by Mr. Wesley, the venerated founder of Methodism, to the first assembly of his fellow-labourers when he met with them to confer on points of doctrine and discipline. It has since been used by all the Methodist organizations in the world. The Conference is composed of all ministers in full connexion. The President and Secretary are elected by ballot annually. The following is a complete record of all the Conferences held in Canada, from the first held in 1824 to 1874, showing the place where held, and the names of its various officers for each year.

NOTE.—After his location he was employed for a time as a school teacher in Sidney, and subsequently went into mercantile life in Belleville. He continued to exercise his gifts as local preacher, and in that capacity was ordained a local elder at the Conference of 1824. He served the Church in various ways acceptably until after the Union of the Methodist Episcopal Church with the British Wesleyans, under the name of

the Wesleyan Methodist Church. This Union was consummated at the Conference of 1833. On Feb. 9th, 1834, as a member of the Wesleyan Methodist Church, he acted as Secretary of the Belleville Auxiliary Missionary Society, and wrote an account of the Annual Meeting, which was published in the *Guardian* of Feb. 17th. On June 25th, 1834, Mr. Reynolds, Joseph Gatchell (a superannuated minister), Daniel Pickett, who had travelled nine years—viz., from 1800 to 1808, but who located in 1809, and subsequently endeavoured to raise an independent organization under the name of the "Provincial Methodists"; David Culp, who had travelled from 1813 to 1825, and who had been located for nine years; and John Wesley Byam, who was received on trial in 1816, and after two years' probation was discontinued; met at Cummer's meeting-house, north of Toronto, and claiming to be dissatisfied with the Union of 1833, organized the present Methodist Episcopal Church of Canada. In 1835 Mr. Reynolds was elected the first Bishop of the new organization by the General Conference, which consisted of Joseph Gatchell, John Reynolds, David Culp, Daniel Pickett, already named, and Jno. H. Huston, who had only travelled six years, had never been admitted to Elders' orders, and who had located in 1833. He was ordained by Messrs. Gatchell, Culp, and Pickett. He held the office of Bishop acceptably until his death in 1857.

ALPHABETICAL ARRANGEMENT

OF ALL THE

MINISTERS & PROBATIONERS FOR THE MINISTRY

IN CONNECTION WITH THE CONFERENCE OF THE

Wesleyan Methodist Church in Canada,

1833 to 1874.

IN this record there will be found a list of all the Ministers and Probationers for the Ministry whose names have appeared on the Minutes of Conference from the date of the Union with the Methodist Episcopal Church in Canada in 1833, to the larger Union of 1874, together with those who laboured in Canada under the direction of the British Wesleyan Conference from 1813 to the Union with the Lower Canada District in 1854, showing the period of being received on trial and date of ordination; the circuits to which they were appointed, official positions held, date of superannuation, location, suspension, expulsion, removal or death.

In the compilation of this list, containing the large number of ten hundred and forty-five names, we have in several instances experienced great difficulty, from the fact that in numerous cases changes had taken place in the appointments, after the publication of the Minutes of Conference, or during the Conference Year, of which no record had been made; hence, in some cases, it has been found impossible to arrive at correct information. Then, again, changes have apparently taken place in the stations of brethren, when in reality the only change was in the name of the Circuit or Mission through the alteration of boundaries, division, or otherwise.

If, therefore, any brother finds on examination that he is misrepresented, he will not attribute it to carelessness or indifference on the part of the compiler, but to errors in the most authentic sources of information.

We have aimed at giving the full amount of work done by each man, rather than the exact Confidential standing, on which a claim upon the Superannuation Fund is based. For instance, it will be noted that some brethren have travelled two or more years under a Chairman, and that others

have been allowed to spend two or more years as students at college, thus lengthening the period of probation to six or seven years. The law, however, is, that in computing a claim on the Superannuation Fund, only four years prior to being received into full connection with the Conference can be counted.

The vessel on which he journeyed was wrecked in the British Channel, and many of the crew were drowned. Mr. Barry lost his library and entire household ef- fects. As an invalid, he spent the winter of 1836 in Guernsey, one of the Channel Islands. In 1837 he again went to Montreal, but under medical advice he avoided the cold of the Canadian winter by once more visiting his old friends in Jamaica. In 1838 he returned to Montreal, where he died in June of that year.

NOTE.—As a member of the Wesleyan Conference after the Union of 1833, Mr. Gatchell received his supernannuation claim from the united body. Nevertheless, in June, 1834, he was one of the five who met and organized the present Methodist Episcopal Church in Canada, and subsequently with Culp and Pickett ordained John Reynolds as their first Bishop. In the MSS. Journals of the Conference of 1835, the following Resolution appears in his case:—"Resolved, that Joseph Gatchell, who has withdrawn under very dishonourable circumstances, is therefore dropped without any further notice." He, however, became an effective worker in the New Church, and for several years occupied the position of Presiding Elder. He died in 1863.

## ALPHABETICAL ARRANGEMENT

OF ALL THE

## CIRCUITS, STATIONS, AND MISSIONS

OF

## Canadian Methodism,

1791 TO 1874.

---

CIRCUITS in Methodism embrace a number of Congregations under the charge of the Minister or Ministers stationed thereon. Usually they are named from the largest settlement or village in the charge. In the early history of Canada, and now in the remote new settlements, these fields of toil embrace from seven to fifteen appointments or preaching places, and extend over a large range of territory, involving long and wearisome journeys. For many years the Circuit system included the cities and large towns, and as the Congregations in such centres of population multiplied, they were united together in the same manner as country appointments. As the country became more thickly settled, and congregations increased in numbers and wealth, Circuits were divided and subdivided, until, in many instances, the number of appointments does not exceed three, though in a few districts large Circuits still exist.

The term Mission refers to that class of work where the members of the Church are few, and unable to sustain the Ministers stationed thereon. A large portion of the early work of Methodism in these Provinces was really Missionary in its character. The heroic pioneer Ministers followed the early settlers to their new homes in the wilderness, and shared the privations and discomforts of the times. Before churches could be erected, the people assembled

together in the log cabin to listen to the Word of Life, and many a revival rewarded the servant of Christ for his earnest and self-denying labours.

The term Station is used to designate a charge having only one Congregation. During the past few years there has been a tendency to form Stations as soon as single Congregations became sufficiently numerous and wealthy to support their own pastor.

The Itinerant system of Methodism has served to give to every Circuit a great variety of ministerial talent and labour. We have endeavoured to give a full and correct record, in the following pages, of the names of all the men who have been stationed on each Circuit, together with the number of members for each year, and the amounts contributed to the Contingent, Educational, and Superannuated Ministers' Funds. Where Circuits have been divided, reference has been made to the fact so far as information has been obtained, so as to show the connection of one Circuit with another.

As the Wesleyan Methodist Church after 1833 was but a continuation of the Methodist Episcopal Church, which was begun in Canada in 1791, and brought into Union in 1833, we have made no mark of distinction in the following account of Circuits and Missions. It will be readily seen how, under the new name, after the Union of 1833, every Circuit and Mission was continued, the membership maintained, and the work perpetuated.

From 1840 to 1847 Amherstburg does not appear in the Stations in the minutes of the Canada Conference. During that period the British Wesleyans were working independently of the Canada body, and, we presume, had charge of this circuit. In 1847 the name again appears in the Canada Minutes, but united with Gosfield, in 1848 it sustained the same relation, the following year it again resumed its place as the head of a circuit.

## TORONTO.

The chief city of the Province of Ontario. Its name until 1834 was "York." The first Methodist chapel was built on the south side of King Street, a little west of Jordan Street, in 1818. The first class was organized in the fall of that year, and consisted of six persons. Prior to 1818, the place was visited and an occasional sermon preached by the ministers of the Yonge Street Circuit.

NOTE.—The reason for having two preachers, as above, was that the new settlements might be visited and societies organized. The next year Thomas Demorest and Rowley Heyland were designated as Missionaries to New Settlements, and "York" again has only one minister.

NOTE.—The above were all known as part of the Methodist Episcopal Church in Canada. The Conference of 1833 by its constitutional rights and by the unanimous vote of its members, adopted terms of Union with the British Wesleyan Conference, exchanging the Episcopal form of Church government, for an Annual Presidency, and henceforth became the Wesleyan Methodist Church of Canada, affiliated with the English Wesleyan Conference. The George Street Church erected by the British Wesleyans in 1832 was united with the Canadian Church under one Circuit plan and so continued until the disruption of the Union with the English Conference in 1840.

Sanderson was removed to Hamilton, Egerton Ryerson being left in charge of the Adelaide Street Church.

#### TORONTO—BRITISH WESLEYAN.

The English Wesleyan Conference having decided to organize a Church in Toronto, a few English Methodists residing there erected a small frame building on George Street, between Duchess and Queen Streets. It was dedicated in July, 1832. In 1833 the Union with the Canadian Methodist Episcopal Conference was consummated, and the George Street Church was placed on the plan to be worked in union with the Adelaide Street Church. It continued thus until the disruption of the union in 1840 when it again became a separate charge.

NOTE.—The George Street Church proving too small, in 1844 the present commodious Richmond Street Church was erected. In 1847 the union with the Canada Wesleyan Conference was renewed, and what had been known as the British Wesleyan Circuit was henceforth to be known as Toronto West, and consisted of the Richmond Street and Queen Street Churches.

NOTE.—In the year 1865 the Yorkville Congregation was set off, and became a separate charge. In 1869 the Berkley Street Congregation was likewise set off, and is now known as Toronto Fourth. The "Old Frame Meeting-house" erected on King Street in 1818 was superseded by the "New Brick Church" erected on the corner of Adelaide and Toronto Streets in 1832, and known as the Adelaide-Street Church. In 1870 the block known as McGill Square was purchased, on which is erected the present magnificent "Metropolitan Church." The lot contains an area of two acres, inclosed with a substantial iron palisading. The total cost of the ground and building was \$150,000.

In 1865 it was set off and is now known as Toronto Third. In 1871, the Queen Street Church was set off as Toronto Fifth. Thus leaving Richmond Street Congregation as an independent charge.

THE  
MISSIONS  
OF  
**The Canada Wesleyan Conference.**

METHODISM has been essentially missionary in its work from its beginning. In the Conference held at Leeds in 1769, John Wesley, as President of the Conference, rose from his chair and said, "We have a pressing call from our brethren in New York [who have built a preaching house], to come over and help them. Who is willing to go?" The answer was, Richard Boardman and Joseph Pilmoor. In 1770 the name of "America" appeared for the first time in John Wesley's list of Stations, with four names annexed, viz., the two above mentioned, and Robert Williams and John King. Now after the lapse of one hundred and ten years we point with gratitude to the Churches, the Colleges, the Ministers, the Local Preachers, the Members, the Home and Foreign Missions, and exclaim, "What hath God wrought?" The annals of the past are the records of continual triumphs.

In Canada, no less than in other parts of the world, has the missionary spirit been developed. No sooner was the Canada Conference organized in 1824, than it was resolved to establish a Conference Missionary Society, of which the Rev. Thomas Whitehead was the first President. The income of the Society during the first year of its operations was \$144.08. In giving a list of the Missions we have adopted a classification which we think will help to a correct realization of the extent of each group of Missions, and at the same time show how one field after another has been occupied in the name of the Lord Jesus.

We take each group in the order of seniority.

I.—INDIAN MISSIONS IN ONTARIO AND QUEBEC.

One of the first efforts of the Missionary Society, after its organization in 1824, was the establishment of Missions among the Aboriginal Tribes of Canada. In various ways the Providence of God seemed to draw the hearts

of several of His servants out in sympathy for the poor degraded Indian tribes. The Rev. William Case, appropriately named the "FATHER OF CANADIAN MISSIONS," was led to feel an especial interest in their welfare, and to bring their condition and spiritual claims before the members of the Church, and to ask their prayers in their behalf.

The Grand River Mission was commenced in 1822, two years prior to the organization of the Missionary Society, and has been continued to the present. Many a scene of Christian order and beauty has been beheld in connection with the labours of the Missionaries in this department. The names of Case, Torry, Benham, Jones, Sunday and others will never be forgotten on the Indian Mission Stations.

We have given, as far as we could ascertain, the locality of each Mission, the names of the Missionaries connected therewith, the number of Members for each year, and the amounts contributed for the chief connexional funds.

NOTE.—Not having at hand any of the Missionary Societies Reports dating prior to 1855, we have given the Missionary contributions only from that period.

## BEAUSOLIEL ISLAND.

This Island is situate in the Georgian Bay, Province of Ontario. It is distant about 8 miles from Penetanguishene. The soil is very sandy, hence the Indians residing on it have been greatly discouraged in cultivating it. Their crops have been frequently scorched up and withered, as a consequence they have been led to leave their homes and scatter abroad in search of a living. The Mission for this cause has not made rapid growth.

## CREDIT.

So named from the River Credit in the township of Toronto, County of Peel, Ontario. The Chippewa Nation had a reservation of land at the mouth of this river, which was one of the best fisheries on Lake Ontario. In 1826, a number of the Mississaugas who had been converted at the Grand River Mission commenced to settle on this reservation, hence the commencement of the Mission there.

## GRAPE ISLAND.

An Island occupied by Indians, in the Bay of Quinte, in front of the township of Earnestown, County of Addington, Ontario. The first attempt ever made for the conversion of the Mississauga Indians on this Island was in the winter of 1825-6, when the devoted William Case and Peter Jones introduced the Gospel to them. In the spring of 1826 Peter Jones and others from the Credit Mission made them another visit, and explained and enforced the Gospel claims. Several were awakened, among whom was John Sunday, a man who proved to be of historic worth. On the 31st May, 1826, the first Society of converted Indians in Canada was organized.

## L.

## LAKE OF TWO MOUNTAINS.

An Indian Reserve on the north shore of the River Ottawa, in the Seigniorship of Two Mountains, Province of Quebec. As this Mission, on account of the persecutions suffered by the Methodist Indians, and the destruction of their church, at the instance of the priests of the Seminary of St. Sulpice, has become historic, we have gleaned the following, chiefly from a tract issued by the "PROTESTANT DEFENCE ALLIANCE OF CANADA":

"In the early part of the last century the Iroquois and Algonquin tribes of Indians resided on the Island of Montreal. That they might be removed from the white population, which was steadily increasing by means of immigration from the Old World, they applied to the King of France for the Seigniorship of the Lake of Two Mountains, to which they removed. The Seminary of St. Sulpice having for some time had a Mission established among these Indian tribes, obtained a grant of the Seigniorship in the year 1718, for the express purpose of aiding them in their mission work. In 1735, in order that the Indians might have a wider range for hunting, a grant was made of the adjoining Seigniorship, and with special reference to the Indian Missions.

"After the Conquest of Canada the Sulpicians were still allowed to retain possession of these Seigniorships. Thus it remained until 1841 when the Seminary obtained a confirmation of its titles to these properties, without any modification whether with reference to the Indians, or to the support of education and the poor. After the lapse of a few years, however, the Seminary endeavoured to get rid of a part of their manifest obligations to the Indians, and to become the absolute owners of the Seigniorship of Two Mountains, by seeking to remove the Indians from the homes and lands of their fathers. The Indians, as might be expected, refused to submit to such an unjust arrangement. A conflict at once began between the Indians and those who had claimed to be their spiritual advisers. The Seminary seemed determined to expel the Indians, and the Indians were equally determined not to yield.

"In this way the confidence of the Indians in the teachings of Romanism was naturally destroyed, and accordingly in 1868 they resolved to abandon the Romish Church. At this crisis in their history a Methodist Mission was commenced among them, and a small house was purchased from an Indian, which was at once fitted up for a school and for religious services. This proving too small, a site was purchased for the erection of a church, and soon a building costing

about twelve hundred dollars was erected. Some friends living on the opposite side of the river, feeling a deep interest in this new Mission, and gladly marking the change in the conduct of the converts from Rome procured a bell for their new church, at an expense of one hundred and fifty dollars. Knowing the spirit of Rome to be unchanged, it is not a matter of surprise that a system of persecution has been persistently kept up from the beginning, which culminated in the wanton destruction of their church."

## WALPOLE ISLAND.

An Island on Lake St. Clair, Ontario. At an early period in Canadian Methodist history, the Indians on this Island were visited, at the request of the Apostle William Case, by some of his native evangelists; but they returned much discouraged. Peter Jones afterward visited them, but was repulsed. Superstition and idolatry seemed to be established there. In January, 1857, through the influence of William M. Cooley, a young school teacher, a good work was begun. One of the Chiefs and his people renounced Paganism, and requested to be admitted as members of the Methodist Church.

## MISSIONS IN THE HUDSON'S BAY TERRITORY.

MORE than forty years ago our Missionary Society in Canada sent Missionaries to visit a few of the Honourable Hudson's Bay Company's nearest posts. It was not, however, until the year 1840 that Wesleyan Missionaries were sent to occupy stations in any part of that vast region. In that year the English Wesleyan Missionary Society, having made arrangements with the Company, sent as its first Missionaries to that region, Messrs. Barnley, Mason and Rundle. These were soon joined by James Evans, Thomas Hurlburt, and Peter Jacobs, who were sent by the Missionary Society of Canada. Five stations or centres of operation, were at once occupied by these devoted and heroic men, viz., Norway House, Moose Factory, Edmonton House, Lac-La-Pluie, and Pie River. Soon Mission premises were erected, societies formed, a printing-press employed, souls saved, and habits of civilization were, as far as possible, cultivated. From 1840 to 1854 the Parent Society is said to have ex-

pended no less than forty-four thousand dollars in the sustentation of the Hudson Bay Missions. In 1851 with a view of transferring these Missions to the care of the Canada Conference, they were placed under the superintendency of the Rev. Dr. Wood. In the spring of 1854, owing, as was stated, "to the comparative nearness of Hudson's Bay to Canada, the supply of labourers available, and the heartiness of Canadian support of Wesleyan Missions," that transfer was effected. Ever since that date these Missions have formed a very important and interesting part of the work belonging to Canada Methodism. The reward for earnest and self-sacrificing toil, and the annual outlay of large sums of money is:—

1st.—The hundreds who have died in the triumphs of the Gospel.

2nd.—The ever-increasing work of evangelization among the numerous Pagan bands of Indians, many of whom have been converted to God and are consistent and faithful members of our Church.

3rd.—The Missions, Schools, and Christian communities now in existence, and which, by God's blessing, must continue to exert an influence for good on the whole of that vast Territory.

## MISSIONS TO THE FRENCH.

METHODIST Missions to the French in the Province of Quebec were begun in 1856. The transfer of the Canada Eastern District, by the English Wesleyan Conference in 1854, led the Missionary Society to undertake this work of Evangelization. The prevalence of Romanism, its vast hold on the French Canadian population, and its fatal effects on a people who do not receive the Bible as their *own* rule of faith, can only be understood by those who reside in the midst of it. The difficulties which have beset the Societies Agents have been formidable and countless. Nevertheless they have continued to prosecute their work from year to year with unabated zeal. In numerous instances converts from the Romish faith have been relentlessly persecuted by Romish emissaries, and have been driven to find a home in the United States or elsewhere, in order to serve God in peace and quietness. This fact, together with the want of a sufficient number of suitable agents, and the lack of funds in the Mission Treasury, have tended to retard the work of French Canadian Evangelization. Under the judicious management and supervision of the Rev. John Borland efforts are being made to give precision to our Methodist organization.

## MISSIONS IN BRITISH COLUMBIA.

"METHODISM," said the late Bishop Emory, "is in itself a Missionary System." This has been one of her chief characteristics. Year after year new fields of evangelistic toil have been entered upon, churches have been erected, the Gospel has been proclaimed, and souls have been saved. In carrying out that spirit of progression which had marked the history of Canadian Methodism from the beginning, the Missionary Committee at their annual meeting in the autumn of 1858 resolved to send her agents to the Pacific Coast. Accordingly in December, 1858, the Revs. Ephraim Evans, D.D., Edward White, Ebenezer Robson and Arthur Browning were sent to that distant mission field. The labours of these brethren, and of others who have since gone to that Province have been largely confirmatory of the expectations of the Missionary Committee. Among the Chinese and Indian population a good work has been carried on. Victoria has become self-sustaining and is doing her part in assisting to sustain mission work in the regions beyond. Indian tribes have gladly received the Gospel and the call for a futher supply of missionaries is urgent and strong.

## MISSIONS TO THE GERMANS.

THE large number of Germans resident in different parts of Canada led the Missionary Committee to consider what could be done in the way of Evangelistic work for their benefit. In the year 1860, the first German Mission was commenced in the city of Hamilton. The first missionary employed was the Rev. Charles Freshman, D.D., formerly a Jewish Rabbi, having charge of a Jewish congregation in the city of Quebec. Being convinced that Jesus of Nazareth was the true Messiah, he renounced the Jewish religion, and under the instrumentality of the Rev. James Elliott, was led to an experience of the pardoning Mercy of God. The conversion of his wife and family soon followed. At the Conference of 1860, he was received as a Christian Minister, and appointed to Hamilton where his labours were productive of great good. The second German Mission was begun by Karlos Schmidt among the Germans of the Ottawa region. Notwithstanding many difficulties of a formidable nature, have prevented the rapid extension of the German Methodist work in Canada, there has been a yield of fruit, and some ripe sheaves have been garnered in heaven, amid the songs of the reapers. It has also been found that in the midst of Rationalistic speculation, there are not a few thoughtful and inquiring men who appreciate the evangelical theology, the church organization and the inner fellowship of Methodism.

## MISSIONS IN MANITOBA.

THE first permanent settlement of the Red River country was made by a few Scotch Highlanders, sent out by Lord Douglas, Earl of Selkirk, in the year 1812 to 1815. In 1818 several French families from Lower Canada emigrated there, and also some Swiss families from Switzerland. In 1821 the Colony began to show some signs of improvement and prosperity, but owing to the hostility of the North-West Company, the settlers were twice expelled from the country. In 1854 the number of inhabitants had increased to about 6,500, and were pretty equally divided between Roman Catholics and Protestants, the former chiefly French and the latter English. The Protestants are sub-divided into Episcopalians and Presbyterians. In the year 1867, this territory became a part of the Dominion of Canada, and in view of an anticipated large immigration from Ontario and other parts to the fertile plains of the West, the General Missionary Committee recommended the establishment of a Mission there. Accordingly in the month of May, 1868, the Rev. George Young left Toronto to inaugurate Methodist Mission Work in Winnipeg, the capital of the New Province of Manitoba.

There is also an appointment at Jack Head on the west side of Lake Winnipeg, 60 miles from the Mission House. This Mission was commenced in 1873.

## MISSIONS IN JAPAN.

FOR several years many of our warm-hearted Canadian people had been thinking about the far-off Japanese, who for centuries had been the followers of Confucius. At length favourable changes having taken place in their laws, the Missionary Committee decided to send two of its devoted men to that great harvest field. On Wednesday, May 7th, 1873, a valedictory service was held in the Metropolitan Church, Toronto, when the Revs. George Cochran and Davidson McDonald, M.D., were appointed to Japan as the representatives of Canadian Methodism.

# ALPHABETICAL ARRANGEMENT

OF THE

## MINISTERS & PROBATIONERS FOR THE MINISTRY

WHO HAVE LABOURED IN CONNECTION WITH

### Methodism in Eastern British America,

1765 TO 1874

IN the list of names, here arranged, it was our design to give a full and complete record of all the devoted men who had laboured in connection with Methodism in the Provinces. In this, however, we have failed, owing to the fact that no authentic record of the Circuits and Missions travelled by those who laboured in these fields of Methodistic toil prior to 1855 has been available. We must therefore refer all who feel an interest in the rise and progress of Methodism in the Provinces named, or in the self-denying labours of such men as William Black, Lawrence Coughlan, John Mann, and William Jessop, their useful lives, their glorious success and their triumphant deaths, to the "History of Methodism," written by the Rev. T. Watson Smith, of the Nova Scotia Conference.

## BAMFORD, STEPHEN.

1806-1847.

The ministry of Stephen Bamford began on the Cumberland Circuit, July 1806. For twenty-eight years he continued to labour successfully in his circuit work. Halifax, St. John, Charlottetown, Windsor, Horton, Liverpool, Cumberland, Wallace, and Annapolis are among the places which rejoiced in sharing the labours of this devoted man. In 1836 he visited the English Con-

ference at Birmingham. After his return he obtained a supernumerary relation, and for a while resided in St. John. Subsequently he located in Digby, where he rendered efficient service to the Church he loved so well. After spending forty-one years in the work of the ministry he died, August 14th, 1848, aged 77 years.

## BANNISTER, WILLIAM

Began his ministry in New Brunswick in 1833, and laboured

with great acceptance until 1838, when he was removed to the West Indies. In 1846 he was appointed Chairman of the St. Vincent and Demarara District and General Superintendent. His ministry was successful in winning souls. On the Sunday preceding his death he preached with great power from the text, "It is the Lord: let him do what seemeth him good," and administered the Sacrament of the Lord's Supper. He died of Cholera on July 9th, 1854.

## BATES, CHARLES.

R. on T. 1824.

We have been unable to obtain a list of the Circuits travelled by this man of God. The English Minutes, in recording his death, say: "He was a man of unobtrusive manners and of genuine piety. He was converted to God early in life, and entered upon the ministry with a strong desire for the salvation of his fellow-men. He laboured acceptably in Newfoundland and the West Indies, and died in great peace in the Island of Tortola, on the 16th of December, 1841, aged 41 years."

## BENNETT, WILLIAM.

Received on trial and sent to the Province of Nova Scotia by the English Wesleyan Missionary Committee in the year 1800. At that period there were but three other Methodist Missionaries in Eastern British America. For twenty years he was noted for his energy, usefulness and zeal. In 1820 he retired from the active work, and became a Supernumerary, residing at Newport, N.S., and for several of the later years of his life in the city of Halifax, where for some years he officiated as Chaplain of the Provincial Penitentiary. He died November 6th, 1858, aged 88 years.

## BLACK, WILLIAM.

1782—1834.

We have not the means of furnishing a list of all the Circuits travelled by this Pioneer of Methodism in the Provinces. But Amherst, Falmouth, Horton, Cornwallis, Windsor and Halifax are among his fields of Evangelistic toil. In 1791 he visited Newfoundland and preached in Carbonear, where he was blessed with a revival of extraordinary power. At Conception Bay two hundred souls were converted. He organized Methodism in the Province, secured its church property, encouraged its classes, and obtained from Wesley an ad-

ditional supply of missionaries for that Island. He died in 1834, at the advanced age of seventy-four years, exclaiming, "God bless you! All is well!"

**BUSBY, SAMPSON.**

1812 to 1850.

As we have been unable to obtain a correct list of Circuits travelled by this servant of God, we append an extract from his biography written by the Rev. Geo. O. Huestis:

"Sampson Busby was born in Rainton, Yorkshire, England, on the 16th of February, 1790. His

parents were members of the Established Church. Early parental instruction prepared his mind for the reception of the truth. Under the preaching of Methodist Ministers he saw his lost condition as a sinner, he sought after God, and ere long he obtained the pearl of great price. Soon he began to exercise his gifts and graces as a prayer-leader, exhorter and local-preacher. In 1812 he offered himself as a Missionary and was ordained by the Rev. Dr. Coke. In 1813 he began his labours in Newfoundland, where he remained four years, his ministry being attended with marked success. He next laboured in the Island of Prince Edward after which he spent twenty-nine years in Nova Scotia and New

Brunswick. His ministry was eminently successful in winning souls to Christ. He died on Easter Sunday, March 31st, 1870, in the 61st year of his age, and the 38th of his ministry.

**CHESLEY, ROBERT**

AINSLIE.

Born in Granville, N.S., 1816. Converted in 1839. Received on trial, 1842. For fourteen years he proved himself a faithful minister of the Lord Jesus. Nearly the whole of his ministerial life was spent in New Brunswick. In 1846 he was sent to St. John's, Newfoundland, and entered upon his duties with great earnestness and renewed consecration. But soon the Master said to him, "Thy work is done." After an illness of only seven days, life's joys and conflicts on earth were ended. He died on Nov. 27th, 1856, in the fortieth year of his age, and the fourteenth of his ministry.

1822—1857.

Received on trial in 1822,  
 his first circuit was Peticodiac.  
 Afterwards Parrsboro', Sheffield,  
 Bridgetown, St. John, Miramichi,

 retired from active circuit work  
 and sustained a supernumerary  
 relation. During a large portion  
 of this time he held the responsi-  
 ble office of Chaplain to the Aca-  
 demic Institutions at Sackville.

In 1855 he removed to Charlotte-  
 town, the place of his birth, where,  
 as his health would admit, he  
 continued to work for the Master.  
 He died, after a short illness, on  
 May 24th, 1857, in the 62nd year  
 of his age, and the 25th of his

## ENGLAND, JAMES.

Was received as a candidate for the ministry by the British Conference at Leeds in 1837, and was appointed to Bonavista, Newfoundland. He was ordained in Liverpool Road Chapel, London, Oct. 11th, 1837, and sailed from Liverpool on Oct. 24th. The voyage was very stormy and tedious, encountering heavy weather and contrary winds—the vessel suffering much damage. In January, 1838, they ran short of provisions and water, and were compelled to bear up from the Banks of Newfoundland. A few days after they providentially picked up seven barrels of flour on the ocean. On that flour, and what little rain water they could catch, they subsisted twenty-seven days. The vessel was then driven on the rocks in the Cove of Cork, where she had run for shelter. In May, 1838, he sailed from England in another vessel, and arrived in Newfoundland on the 5th of June.

In 1866 he was elected President of the Conference, but the Rev. NOTE.—The following Resolution was passed by the Conference and presented to Dr. Evans on the occasion of his removal to the Canada Conference:—"That the

Conference hereby expresses its unfeigned and deep sense of the loss our work in Eastern British America will sustain by the removal of so valuable a brother as Dr. Evans; one who has rendered us such efficient service in the different positions he has so honourably and usefully sustained during his nine years residence in these Provinces, not only more recently in his connection with our academic institution, but also while filling the chair of a large and important District. The brethren cannot allow Dr. Evans to separate from them without their unanimous expression of their high appreciation of his Christian character, and his effective and ministerial, business-like capabilities, as evinced in the prudent counsels and valuable aid afforded by him, in our new position as a conferential organization; and while the ties between him and them, as members of the same Conference are now to be severed, their earnest prayers will follow him to his intended destination, that in the sphere of labour, and wherever in future his providential lot may be cast, he may still be extensively useful in the work of the Lord, and that when the toils of earth are passed, we may have the ineffable delight of greeting him in the heavenly rest."

## MCCOLL, DUNCAN.

1793—1830.

As we have no records at hand to indicate the Circuits on which the above-named laboured, we cannot give the order of his work. He was born in the north of England in 1754. In 17— he was providentially led to Jamaica and was soon after made a partaker of the joy of sins forgiven and at once he began to work for Jesus. In Halifax, St. Andrews, St. Stephen, Annapolis and other places his ministrations were greatly blessed in the conversion of souls. He was ordained by Bishop Asbury in 1795. He died Dec. 17th, 1830, aged 76 years.

## MCDONALD, WILLIAM.

1830—1834.

Born in 1801. Converted in Quebec under the ministry of the Rev. Richard Pope in 1828. Soon after this great event he went to Nova Scotia, but travelled only three circuits, Liverpool being his last. He died on March 16th, 1834, aged 33 years.

## ST. JOHN.

The records of Methodist work in connection with this city, as also in the Province of New Brunswick, available to us, begin with the published minutes of the first Conference of Eastern British America, held in 1855, hence we gladly avail ourselves of the following interesting sketch of the rise and progress of Methodism in St. John, taken from the *Westeyan* of Oct. 10th, 1879. It is from the pen of the gifted Editor, the Rev. Duncan D. Currie.

Among the loyalists who, on the 18th day of May, in the year 1783, landed on the rugged shore, where now is the Market Slip of the city of St. John, N. B., there was a New Jersey Methodist, whose name was Stephen Humbert. Through his earnest solicitations several Methodist ministers visited the growing town in its early years. The first residents of St. John were chiefly adherents of the Church of England. Henry Alline, and a few other non-conformist preachers, came, tarried a brief period, held services, and went on their way. On the 24th of September, 1791, Rev. Abraham John Bishop arrived at St. John. On the first Sunday after his arrival he preached. On the first Sabbath in October (1791) he organized a class-meeting in a house owned by a Mr. Kelly, on the corner of Charlotte and Princess Streets. This was the beginning of Methodism in St. John.

In November, 1791, Rev. William Black, then stationed in Halifax, visited St. John. He desired to preach; but the chief magistrate, sometimes called the mayor, threatened him with imprisonment in the county gaol, if he should thus officiate, without first obtaining special permission from the Governor of the Province.

In the early part of the year 1792, the few Methodists of the town purchased a building on the west side of Germain street, between Duke and Queen Streets. This building was used for a number of years as the local City Hall, and Court House. In this building the services of the Church of England were held, previous to the completion of Trinity Church in 1791.

The erection of the Germain Street Methodist Church was attended with serious difficulties. The adherents of the cause were few; and those few possessed but limited financial resources. A site was secured on the north-east corner of Germain and Horsefield Streets. In the winter of 1807, the timber for the frame of a church forty-two feet by sixty feet was placed upon the ground. In April of that year Rev. Joshua Marsden held an open-air service, on the site, standing on a small rock in the midst of the frame now ready to be raised. His text was: "Upon this rock I will build my church, and the gates of hell shall not prevail against it." Some of the townspeople of that day laughed at the small band of praying Methodists, for having attempted, in that enterprise, to do what many thought could never be accomplished. The church was completed in the following year; and on Christmas day, 1808, it was dedicated. The Rev. William Bennett preached the sermon, and conducted the dedicatory services. This was the second place of worship built in St. John. The old Trinity was the first. The old St. Andrew's Kirk was the third.

The Germain street Church was enlarged, by the addition to its length of twenty feet during the incumbency of Rev. Sampson Busby, in 1834. The school-room, about twenty-two by eighty feet, was built at the same time. On the occasion of the coronation of Queen Victoria, in 1838, this school room was the largest public hall for social or secular meetings in St. John. On the day of the coronation of Victoria an enthusiastic meeting was held there, with Judge Parker in the chair. Rev. Stephen Bamford and other prominent public men of the city were the speakers of the day.

For many years that structure was the oldest Methodist Church in the Province. Of the

various social and religious influences that have gone out from the venerable sanctuary it is not our purpose, with but a single exception, now to speak.

After the enlargement of the building in 1834, and during the incumbency of Rev. Enoch Wood, who was appointed to St. John in 1836, the congregation became too large for the building. The question of the erection of the Centenary Church was discussed. Formidable difficulties were apparent. A board of trustees was appointed. Mr. Wood was the leader in the enterprise, and by skilful management and indomitable perseverance he and his co-labourers succeeded in their work. Mr. Wood purchased three lots of land for the Centenary trustees. He paid two

ST. JOHN CENTENARY CHURCH.

thousand dollars for the three lots. Mr. John B. Gaynor paid six hundred dollars for a fourth lot, and gave the lot as a free donation for the purposes of the church. Those four lots constituted the site on which the Centenary Church subsequently was built.

In August, 1839, the Centenary Church was dedicated. In several respects it proved to be an eminently successful church enterprise. On the memorable 20th of June, 1877, the old German street sanctuary perished in the devouring flames, and during the succeeding night some nine or ten hours later, the Centenary passed away in the fiery storm.

Previous to the year 1809 there had been no regular appointment of a Methodist minister to St. John, or to any part of New Brunswick. In the English minutes of 1808 the Province of Nova

Scotia and New Brunswick are recognized as one Circuit under the name of Liverpool. Between 1791 and 1809 the following ministers laboured at irregular intervals on this extensive Circuit:—

William Black.	Joshua Marsden.	James Mann.	And
Duncan McColl.	William Bennett.	William Jessup.	James Knowlan.
William Grandin.	James Bulpitt.	William Sutcliffe.	

In 1809 St. John appears in the English Minutes as a Circuit. The record from 1809 to 1837 is as follows:—

1809 William Black..	2	1817 Steph. Bamford..	2	1824 Robert Alder....	1	1830 Albert Des Brisay	2
11 Steph. Bamford..	2	19 James Priestley..	2	25 Rd. Williams...	3	31 Sampson Busby.	3

15 Wm. Crosscombe	2	23 James Priestley..	1	29 Enoch Wood....	3	34 Arthur McNutt.	3

In 1838 the Circuit was divided by making Portland a separate Circuit. The new Circuit was called St. John North (Portland.)

Enoch Wood was three years at St. John South, Germain St., 1836-39;	three years at St. John North (Portland), 1839-42; and four years at	St. John South, 1842-46.	Fred. Smallwood, 1839-41.
		R. Williams, 1839-41.	Wm. Temple, 1841-43.

In 1842 another division was made by the erection of Carleton into a separate Circuit.

George Miller, 1843-46. | Ingham Sutcliffe, 1846-9 | Hen. Daniel, 1846-49. | Richard Knight, 1849-53

In 1853 James G. Hennigar was placed in charge, and continued for three years. The following is the record since that date as gleaned from the minutes of Conference.

## THE WORK IN NEWFOUNDLAND.

THE Island of Newfoundland is the oldest of Britain's transatlantic possessions. To Laurance Coughlan belongs the honour of being the first to proclaim the story of the Cross to the scattered settlers of this sea girt Isle. He arrived there in the year 1765, and at once commenced those earnest labours which were owned of God in the awakening and conversion of hundreds of souls. He returned to England in 1773, and until the arrival of John McGeary in 1785 the work begun by Coughlan was sustained and carried on by a few devoted local preachers. To British Methodism belongs the honour of sending Missionaries to this Island, and under her fostering care the Methodism of Newfoundland became a grand success. In 1855 it became a part of the Conference of Eastern British America, which was organized that year. Prior to 1855 we have been unable to obtain a record of its devoted labourers and their mission work. Our pages, therefore, as in the case of New Brunswick and Nova Scotia, only give what data we have been able to glean from the Minutes of Conference from 1855 to 1874.

## PART III.

THE

**Methodist New Connexion Church**

IN

**C A N A D A,**

1829 To 1874.

THE  
**Methodist New Connexion Church**  
IN  
**CANADA,**

1829 TO 1874.

THE "METHODIST NEW CONNEXION" was the name given to the first secession from the Wesleyan Methodist Church in England in the year 1797, under the leadership of Alexander Kilham. Their Mission in Eastern Canada was begun in 1834 or 1835.

The "CANADIAN WESLEYAN METHODIST CHURCH" originated in 1829, under the leadership of Henry Ryan and James Jackson, who seceded from the Canada Methodist Episcopal Church. In the year 1840 the Methodist New Connexion Conference in England sent out to Canada the Rev. John Addyman, whose special mission was to establish a Mission in Western Canada. Through his instrumentality a union was formed in 1841 between the Canadian Wesleyan Church and the New Connexion Church of Canada East, under the name of the "CANADIAN WESLEYAN METHODIST NEW CONNEXION CHURCH," and the first united Conference was held in Cavan in June, 1842. In 1843 the Union was further enlarged by the admission of the "PROTESTANT METHODISTS" of Eastern Canada. In 1864 the words "CANADIAN WESLEYAN" were, by resolution of Conference, dropped from the name, and henceforth it was called "THE METHODIST NEW CONNEXION CHURCH IN CANADA."

## ROBINSON, JOSEPH HIRAM.

Was born Dec. 20th, 1807, and in his twenty-third year was received on probation in the Methodist New Connexion ministry in England by the Sheffield Conference in 1830. His first appointment was to the Thorne Circuit, in Lincolnshire. In 1831 he was appointed to the Alnwick Circuit, 1832 to Doncaster, 1833 to Manchester, 1834 and 1835 Hanley, and was ordained at the Conference held on that Circuit. In 1836 he was appointed to the Macclesfield Circuit, where he continued for two years. His next Circuit, 1838, was Newcastle-upon-Tyne, where he continued two years. In 1840 he was appointed to Halifax, having charge of that Circuit for three years. His next Circuit was Liverpool, in 1843, where he served for three years. Then in 1846, Chester two years, and his last appointment to regular Circuit work in England was to Sheffield, South, in 1848, where he laboured three years. By the Conference held at Ashton-under-Lyne in 1851, he was appointed Superintendent of the New Connexion Missions in Canada, which office he filled for fifteen years, during which term he was four times President of the Conference, viz.: in 1852, 1861, 1865 and 1869. From 1854 to 1866 he edited the *Evangelical Witness*, which he established in 1854. He resigned the Superintendency of the Missions in 1866, and was employed as editor of the *Witness*, Book-Steward, and Treasurer of the funds of the Connexion till 1870.

In that year he was appointed by the English Conference as editor of the *New Connexion Magazines*, and manager of their publishing interests. For this purpose he returned to England in 1870, and continued in this office till 1874, when he was a second time sent to Canada. In 1872 he was elected President of the English Conference. His second appointment to Canada was made chiefly with reference to the union movement then progressing between the Wesleyan Methodist and New Connexion bodies in Canada. Mr. Robinson states that he was induced to come on this mission from the representations received in England to the effect that a very large minority, if not a majority, of the New Connexion members and ministers declined to come into the union, and the connexional authorities in England felt that it was their duty to care for this minority or majority,

whichever it might be, and he was therefore sent to co-operate with Mr. Medcraft who was then the Superintendent of the Mission, in the counsels and labours demanded by the crisis. When the vote was taken at the Milton Conference of 1874, it was found that only six laymen and twelve ministers voted against the union, and in view of this fact, Mr. Robinson felt (and this feeling was shared also by Mr. Medcraft) that it would be a hopeless struggle as well as an unseemly one, and a struggle the expense of which would mainly fall on the English mission fund—to maintain the New Connexion as a distinct denomination in Canada. These views were duly represented to the English Conference which body at length, and in view of all the interests concerned, consented to the union, which is now an accomplished fact. This event threw Mr. Robinson out of employment. The authorities in England gave him the option of either returning to England, and taking Circuit work there, or remaining in Canada with permission to join any Evangelical Church he might prefer. His brethren with whom he had long laboured, having gone into the union, and his sympathies, as well as the habits and labours of a life-time, being all associated with Methodism, he finally concluded to join the Methodist Church of Canada, and was received into the ranks of its ministers of the London Conference, at the Conference held at Brantford in 1875.

REV. EGERTON RYERSON, D.D., LL.D.,  
*President of the First General Conference.*

THE  
GENERAL CONFERENCE  
OF THE  
**Methodist Church of Canada**

Is its supreme governing body. It meets quadrennially on the first Wednesday in September. In accordance with the terms of the Union, consummated in 1874, it is composed of an equal number of Ministers and Laymen. The Ministers are elected by the several Annual Conferences, and the Laymen by the District Meetings held in the month of May preceding the meeting of the General Conference. This Conference has full power over every part of the organization and discipline of the Church, except as prohibited by certain restrictions adopted by the Committee on Union, prior to the organization of the delegated General Conference. These restrictions are four in number, and are known as the Restrictive Rules. See p. 40, Discipline of 1879. The General Conference elects its own President, Vice-President, and Secretary. It also elects the Editors of the Church Periodicals, the Book Stewards, Missionary Secretary and Treasurers of the several Connexional Funds. A special committee of not less than twelve persons, six Ministers and six Laymen, is appointed by the Conference on nomination of its President, to watch over and guard the rights and privileges of the Church, and decide upon any measures connected with the general interests of the Church, and to constitute a court of appeal, on questions of law arising in the Annual Conferences.

## METHODIST PERIODICALS.

### I. THE CHRISTIAN GUARDIAN.

This is the first and oldest of the periodicals now published under the authority of the General Conference. It began its career in 1829, hence it has passed the jubilee of its existence. The circumstances connected with its origin, and the hearty support which it received from the early Methodists are creditable in a high degree to the enterprise and liberality of the Church of that period. By a special request of its present Editor, the Rev. E. Hartley Dewart, D.D., its first Editor, the Rev. Egerton Ryerson, D.D., LL.D., wrote the first editorial for its jubilee year. That editorial being of high value, we have taken the liberty of giving it a place in the Cyclopaedia.

"The writer was elected editor of the CHRISTIAN GUARDIAN in the fifth year of his ministry; his salary was six hundred dollars, including house rent and fuel—the largest he ever received during sixteen years. On his way to New York, in the autumn of 1829, to procure the types on which to print the GUARDIAN, he was six days and nights in a stage coach between Lewiston and New York

travelling part of the time over the worst conceivable roads at the rate of a mile an hour. Such was the poverty of the establishment that it was unable to employ a clerk; so that the editor had to keep the accounts, and with the weekly voluntary assistance of some lay brethren, had to fold and address the papers to subscribers. Much labor was bestowed in writing the editorials, which

were written mostly at night, and often not finished before the morning twilight. In the second year he was favoured with the assistance of a clerk, in the person of Mr. S. S. Junkin, of St. Catharines, who read the proofs, revised the editorials at his discretion, and often improved them.

The *GUARDIAN* commenced with a subscription list of about 450, which increased, in the course of three years, to upwards of three thousand—a larger circulation at that time than that of any secular newspaper in Upper Canada. Its dimensions have since been increased more than four-fold, and its circulation nearly thirty-fold; its editorial ability, various appliances, and mechanical execution have also correspondingly advanced.

The membership of the Church when the *GUARDIAN* was established was less than twelve thousand; it now exceeds one hundred and twenty thousand.

The number of ministers were then just fifty; their number now exceeds one thousand.

The number of missions were then five; their

number is now more than three hundred—extending from Bermuda to Mackenzie's river, and from Gaspe to British Columbia, and even Japan.

The number of missionaries then employed was six; the number of missionaries now employed exceeds three hundred.

The places of worship were then "few and far between;" most of them inferior in style and accommodation, and unfinished; places of worship, many of them large, commodious and elegant, are now found everywhere.

The Church then had no college or school; nor did the province itself possess one worthy of the name; our Church now possesses three University Colleges, three Theological Institutions, three Ladies' Colleges—in which more than two thousand young persons have been educated, among whom are several hundred university graduates, between fifty and one hundred of whom are labourers in the Christian ministry.

Then there were few ministers' parsonages, and

REV. E. HARTLEY DEWART, D.D.

those very poor and not furnished; now convenient and furnished ministers' parsonages are found on the great majority of the Circuits; provision for the support of ministers and their families has advanced in like manner, although not now by any means equal to what it ought to be, considering the improvements of the country, the requirements of position and culture, and the expensiveness of living.

We say nothing of the diffusion of literature, the wonderful multiplication and great improvement of Sunday-schools, the progress of church

music, and the establishment of numerous associations for the mental culture and social elevation of youth. Nor do we even glance at the long stride of progress which our country at large has made in educational institutions, in all branches of industry and commerce, in all the facilities of travel and communication, and in all departments of the public service—to all which the *GUARDIAN* has been a hearty contributor.

To turn to the *GUARDIAN* itself, the Conference of 1829 establishing which, resolved,—“That a weekly paper should be established, under the

direction of the Conference, of a religious and moral character, to be entitled the *CHRISTIAN GUARDIAN*. That the place of its location be the town of York. That the sum of \$700 is sufficient to purchase all the apparatus for a printing establishment. That the sum of \$2,050 will meet the annual expense of such paper. That the stock to the amount of \$2,000 be raised, by dividing it into 100 shares of \$20 each, half of which is to be paid immediately, and the remainder subject to the call of the persons who may be appointed to superintend the publishing of the paper; and said stock to be repaid with interest as soon as the avails of the concern would admit of it. [But we never heard of the repayment of the stock, except to some lay subscribers who desired its repayment.] That the members of the Conference do take up the shares among themselves; but if all be not disposed of in that way, that they use their influence with their friends to have the remainder taken immediately."

From this small beginning the *GUARDIAN*—set on foot, as was the U. C. Academy (Victoria College), by subscriptions among the preachers themselves—has become, under successive editors, the largest, most ably conducted, and most widely circulated religious newspaper in the Dominion of Canada.

During the first decade of its existence, the characteristic work of the *GUARDIAN* (apart from the spiritual work of the Church) was the defence of civil and religious liberty, the equality before the law of all religious persuasions, and by consequence, the local internal self-government of Canada by the people themselves; the establishment of an educational institution of high character upon Christian principles, without any denominational test either for professors or students; and questions of Church polity against High Church and pseudo Methodist Episcopal pretensions; the suppression of a democratic local rebellion, and the earnest discountenance of, and appeal against, subsequent attempts of high-handed leaders of a then ascendant party to treat and proscribe all reformers, though loyal as themselves, as enemies of their country.

The second decade of the *GUARDIAN* commenced (aside from its spiritual Church work) with the advocacy of the union of the two Canadas under one constitutional and responsible government in order to obliterate the differences of the past, and establish equity and unity among all parties as the basis of government and legislation. [The writer of this article ceased all editorial connection with the *GUARDIAN* in 1841.] During the subsequent years of that decade, the *GUARDIAN* was largely devoted to opposing Church divisions and advocating Church unity—an object which was accomplished by the wise and Christian union between the English and Canadian Conferences in 1847—since which time there has been untroubled peace and uninterrupted prosperity throughout every department of our Church.

The third and fourth decades of the *GUARDIAN* have been marked by strenuous and persevering exertions to consolidate our Church institutions, administrative, missionary and educational—to improve their efficiency, to increase their resources, and even to multiply their number. There is, perhaps, not a brighter period of the history of Methodism in Canada than that between 1849 and 1869.

The fifth and last decade of the *GUARDIAN* has been distinguished by important events in the Church, and to which the *GUARDIAN* has largely contributed to give direction and character. One large Canadian Conference, consisting of between six and seven hundred ministers, has been divided into three annual Conferences; and in the three maritime provinces, three annual Conferences have also been formed; and these six annual Conferences, with the congregations under their charge, have been formed into one Church, presided over, for legislative purposes, by a General Conference, which meets once in four years, and consists of an equal number of clerical and lay representatives—the one class elected by the members of the several annual Conferences, and the other class elected by the laity in the several ecclesiastical districts. All this consolidation has been effected, and the details of the machinery for its practical operations completed, without the loss of a single member of the Church, and with universal and cordial satisfaction: so that the ministers and members of the Church are of one mind and one heart, and united in one work, under one discipline and government, from the Atlantic to the Pacific, and from Manitoba to British Columbia—constituting the largest, most energetic, and prosperous Protestant ecclesiastical body in the Dominion of Canada.

This brief retrospect cannot but excite thankfulness and inspire confidence. The record of the *GUARDIAN* during the last fifty years exhibits it as a potent agency of the Church and a great benefactor of the country. Most of the founders of the *GUARDIAN* and of our Church institutions have passed from labour to rest; but their sons bless them, and their successors nobly carry on and vastly improve the work which they commenced. The jubilee of the *GUARDIAN* witnesses a noon-day splendour of fraternal unity and incessant activity in all departments and wide dimensions of our Church's work. It is the Lord's doings, and to Him be all the praise. May the success of the past be as the dim-dawn to the success of the future!

Such is the prayer and hope of the first editor of the *GUARDIAN*—now retired from all office in Church and State, near the fifty-fifth year of his ministry, and 77th year of his age—*looking for a better country and waiting for a heavenly home.*

E. RYERSON.

## THE "CHRISTIAN GUARDIAN'S" JUBILEE SONG.

*By its Editor, REV. E. H. DEWART, D.D.*

I.  
While over the snows the winter wind blows,  
And the New-year bells are ringing  
A welcome cheer to my Jubilee Year,  
I too come cheerily singing.  
From this summit of years, of gladness and tears,  
I look back o'er the path I have trod,  
And thankfully raise an anthem of praise  
For the mercy and favour of God.

II.  
In the dawning hour of Canada's power,  
I sprang into busy life;  
And my friends, though few, were loyal and true,  
When trouble and danger were rife.  
Then the forest grand, o'er all this wide land,  
Like an emerald mantle was spread;  
Rough, scanty, and bare was the pioneer's fare,  
As he struggled for daily bread.

III.  
Through the years I have stood as a sentinel good  
Keeping watch with unslumbering eyes,  
The change that was wrought by labour and thought  
Fills the heart with a grateful surprise.  
The rude forest child, untutored and wild,  
Now in maidenly beauty we see—  
The twig of the past stands, unmoved by the blast,  
A stately and vigorous tree.

IV.  
Her temples proclaim the wonderful name  
Of God, our Redeemer and King;  
There His children declare their faith in His care,  
And of mercy and liberty sing.  
The press by its might makes freedom our right,  
While justice with law is combined;  
And college and school, where science holds rule,  
Illumine and strengthen the mind.

V.  
To the patriot band, who with brain and with hand  
Have toiled for the right, I belong;  
I have stood in the front, and oft borne the brunt  
Of battle with falsehood and wrong.

To the emigrant's cot, in the loneliest spot,  
I carried the news of all climes,  
The success or defeat of army or fleet  
The lessons and deeds of the times.

VI.  
From poet and sage of every age  
I have gathered the thought—pearls rare,  
To bless and refine with knowledge divine,  
And lighten the burdens of care.  
To the soldiers of Christ, when temptation enticed  
To grow weary or yield to the foe,  
I have whispered some word which their fortitude  
stirred,  
And nerved for a conquering blow.

VII.  
To childhood and youth I brought treasures of truth,  
Ere folly bewildered or bound,  
Which guided aright to a manhood of might,  
With honour and usefulness crowned.  
To the feeble and old, when life's friendships grew  
cold  
And the stars of their youth had all set,  
I told of the rest, immortal and blest,  
Unbroken by grief or regret.

VIII.  
The friends tried and true whom my infancy knew  
Have one by one gone to their rest;  
A few still are left, of their comrades bereft,  
But their sun is now low in the west;  
Yet my eye is not dim—no weakness of limb  
Gives token of age or decay;  
I can strike for the truth with the vigour of youth,  
Undaunted by fear or dismay.

IX.  
My flag is unfurled in the noon of the world  
The work-day of mortals is brief—  
There's a wail in each breeze, which to Christians  
at ease  
Calls loudly for help and relief.  
If all will unite, and stand firm in the fight  
Against ignorance, error, and sin,  
Truth's triumph is sure; for all who endure,  
The crown of the victor shall win.

## II. THE WESLEYAN.

The publication of the *WESLEYAN* was begun in the year 1848 by the ministers connected with Nova Scotia, New Brunswick, and Newfoundland Districts, which at that time were under the direction of the English Wesleyan Conference. In 1853, when these Districts were formed into the Conference of Eastern British America, it became the authorized Connexional organ of that Conference. Its weekly circulation now (1879) numbers 3,000 copies. The following have been its Editors from 1848 to 1881:

REV. HUMPHREY PICKARD, D.D.

## III. THE EVANGELICAL WITNESS.

This was the organ of the late New Connexion Methodist Conference. The first periodical publication of this branch of Canadian Methodism was *THE CHRISTIAN MESSENGER*, begun in 1844 as a monthly, and in 1847 issued as a weekly, under the editorial management of the Rev. Thomas T. Howard, who continued to occupy that position until 1850 when it was discontinued from lack of support. In 1854 the Rev. Joseph H. Robinson began the publication of the *EVANGELICAL WITNESS*, which, by special resolution of the Conference of that year, was recognized as the "organ of the Connexion." For the first three years, or until 1857, this paper was issued monthly, but the Conference of 1857 ordered that henceforth it should be published semi-monthly. At the Conference of 1858, it was ordered that, commencing with the 1st Jan. 1859, it should be published weekly. In 1874, on the consummation of the Union, *THE EVANGELICAL WITNESS* was merged in *THE CHRISTIAN GUARDIAN* under the double name of *THE CHRISTIAN GUARDIAN* and *EVANGELICAL WITNESS*. The following have been its editors from 1854 to 1874:

Joseph Hiram Robinson, 1854 to 1871.	William Cocker, D.D., 1871 to 1872
David Savage, 1872 to 1874.	

## IV. THE METHODIST MAGAZINE

Was first issued in January, 1875, by order of the First General Conference. It has already attained a circulation of nearly 3,000 copies. The Rev. Wm. H. Withrow, M.A., who has been its Editor from the commencement, was, at the General Conference of 1878, re-elected for the ensuing four years. The Magazine is a beautifully illustrated monthly of 96 pages, 8vo., and is published at two dollars per annum.

## V. THE SUNDAY-SCHOOL BANNER.

This a monthly publication designed to afford aid to Sunday-school Teachers and heads of families in the religious training of the young. Under its present Editor, it is becoming increasingly popular as a Sunday-school aid. Its monthly circulation is about 5,000 copies.

## VI. THE SUNDAY-SCHOOL GUARDIAN.

This was the successor of the SUNDAY-SCHOOL ADVOCATE, which for many years occupied a prominent place in Sunday-school work. It was issued semi-monthly.

## VII. PLEASANT HOURS.

Is an eight-page quarto, semi-monthly, illustrated paper, and supplants the SUNDAY-SCHOOL GUARDIAN.

## VIII. THE SUNBEAM.

A new four-page, 8vo. paper, illustrated, especially adapted for the little folks.

The several Sunday-school periodicals are all under the editorial management of Rev. Wm. H. Withrow, M.A.

## BOOK ROOMS AND PUBLISHING ESTABLISHMENTS.

## I. TORONTO.

In November, 1829, coincident with the publication of THE CHRISTIAN GUARDIAN, a small depository for the sale of books was established in Toronto. It was in charge of the Editor, who for several years served both as Editor and Book Steward. The business having largely increased, in 1843 the labour was divided, and a minister appointed for each department. Since that period its

REV. WILLIAM BRIGGS.

business has largely increased, and its publications are annually multiplying. Up to 1874, the Book Steward was elected annually, but since the Union of that date, the election is quadrennial. From the report presented to the General Conference of 1878 we find that the total assets of the Toronto

Book Room is \$149,208.41; its total liabilities are \$70,142.06. For further particulars see General Conference Journal of 1878. The following have been Book Stewards from 1829 to 1881:

Egerton Ryerson .....	3 years....	1829 to 1832	Alexander McNabb....	2 years....	1841 to 1843
James Richardson.....	1 year....	1832 to 1833	Anson Green, D.D.....	11 years....	1843 to 1854
Egerton Ryerson .....	2 years....	1833 to 1835	George R. Sanderson...	5 years....	1854 to 1859
Matthew Lang .....	2 years....	1835 to 1837	Anson Green, D.D .....	6 years....	1859 to 1865
John Ryerson .....	4 years....	1837 to 1841	Samuel Rose, D.D .....	14 years....	1865 to 1879
William Briggs, 2 years, 1879 to 1881.					

## II. HALIFAX.

This establishment had its beginning in the year 1848. From that date until 1868 the office of Book Steward and Editor has been united in one person. The General Conference acting upon the report and recommendation of the Committee, separated these offices and elected as Book Steward the Rev. Humphrey Pickard, D.D., who after one year resigned, and the Rev. S. Huestis was elected in his stead. For names of previous incumbents see list of Editors on page 533. The business of this establishment increased nearly 250 per cent. during the past quadrennial. A printing office has been fitted up with machinery, type, and all necessary appliances for the printing of the paper, and also book and pamphlet publications. From thirteen to sixteen men are constantly employed on the premises.

## III. MONTREAL.

This is a branch of the Toronto Book Room, and is in charge of C. W. Coates, Esq. It was begun in 1875, and has had to fight its way during a period of great commercial depression, nevertheless it is winning its way to the patronage of the Protestant communities of the Province of Quebec, and will doubtless accomplish much good in the dissemination of a sound religious literature.

# EDUCATIONAL INSTITUTIONS.

THE Methodist Church has had, thus far, a wonderful history—a history unprecedented in the annals of time. Everywhere it has increased in numbers, influence, and usefulness. Its flag bears the name of many a well-fought battle-field, and flashes with the glories of many a victory for Christ.

At a very early period of its history the subject of Education engrossed the attention of Wesley and his co-labourers. "Before he thought of building a chapel, he began the erection of a school. Before Raikes, or Bell, or Lancaster entered upon their course of action, he made the education of children the object of his intense solicitude and persevering effort. And throughout his life Day schools and Sunday schools were promoted by him with the most intense earnestness and anxiety."\* One of John Wesley's first efforts to improve the condition of the converts of that period was an attempt to found a Charity School for the benefit of the colliers of Kingswood. That Charity School proved to be the germ of one that ten years later grew into a complete literary institution, and which is now devoted exclusively to the benefit of the sons of Wesleyan ministers. In 1811 a similar school was established at Woodhouse Grove, near Leeds. John Wesley also established schools for poor children at Newcastle and London, made regulations for their government, and collected and contributed funds for their support. In later years, when by God's blessing Methodism had become established, and its resources to increase educational agencies were more abundant, its attention was more systematically given to the work of education, as will appear from a glance at the statistics of English

VICTORIA UNIVERSITY AND FARADAY HALL, COBURG.

Methodism. It now has three colleges for the education of ministers, four schools especially for ministers' children, two colleges in which young men are fitted for commercial and professional life, and two Normal schools for the training of teachers. It also has 853 day or parochial schools or departments, with an attendance of 67,152 boys, 52,517 girls, and 59,332 infants, being a total of 179,001 day scholars. Its educational provisions are equal in extent to that of any other Protestant body in Great Britain.

In the United States the Methodist people both North and South have devised liberal things for the education of their sons and daughters. As early as the year 1780, Asbury and Dickens prepared a plan for a Seminary and obtained subscriptions. When the Methodist Episcopal Church was organized, Asbury and Coke succeeded in erecting an institution at Abington, which, in honour of its projectors, was named "COKESBURY COLLEGE," which, however, was in a short time destroyed by fire. But little further was done until 1817, when academies were commenced in New York, Baltimore, and New Hampshire. The spirit of education continued to expand until there are now in connection with the Methodist Episcopal Church seventy-six seminaries, twenty colleges, and fifteen universities. Three Biblical schools have also been established, besides theological departments in connection with several of the colleges. Other branches of the great Methodist family in the United States have also devoted considerable energy to the education of the youth of both sexes.

In Canada, Methodism has not been unmindful of the educational interests of her sons and daughters, as may be seen from the following brief historic record of her educational institutions. First in order is

### I.—THE UNIVERSITY OF VICTORIA COLLEGE. COBOURG, ONTARIO.

In the year 1830, when, as yet, the Conference was only six years old, and when her Ministers and Probationers for the Ministry were only fifty-five in number, and her members only 11,348, a Constitution was adopted for an institution to be called the UPPER CANADA ACADEMY, and a Committee was appointed to fix the location.\* The Pastoral Address of that year urged the subject upon the attention of its members. The nature and purpose of the Educational scheme was clearly defined. On referring to that period, we find that "mention is made of a few important *Auxiliaries to the cause of Religion*, which deserve serious attention as well as zealous support and encouragement. Among these is a Seminary of Education where youth may be trained up in the knowledge and obedience of God, and at the same time be faithfully instructed in the various branches of human learning, which the present state of society renders essentially necessary, in order to respectability and usefulness, and for the proper and successful discharge of the duties of the different stations of life to which Providence may call them."† In the Minutes of Conference for 1832 we find it, Resolved, "That this Conference recommend to its members, and to their brethren the local preachers, to appropriate during the ensuing four years, such fees as they may receive for the celebration of Matrimony, to the erection and use of the UPPER CANADA ACADEMY." This, considering the scanty allowances and hardships of the early years of Methodism in a country sparsely settled, was intensely loyal and Christian, and merits a warm tribute of gratitude from their descendants. In 1837 the Academy was opened and fairly begun its work, having for its Principal the Rev. Matthew Richey, M.A., and for its Agent the Rev. John Beatty. The Pastoral Address of that year says, "It is perhaps hardly necessary for us to remind you of the vast importance of the Upper Canada Academy, both as it respects the Church and the general interests of the community. The prosperity of this Institution especially involves the character of our Church, is closely allied with our permanent advancement, and is essential to our exerting that influence over the public mind which interest and duty alike impel us to obtain and to cherish."‡ In 1838 the Rev. Matthew Richey, M.A., was appointed its Principal for a second year, and the Rev. John Beatty was appointed Steward. During

the year the Institution was graciously visited with a remarkable outpouring of the Holy Spirit, and many of the students were converted, and the Annual Examination gave ample evidence of continued efficiency. In 1839 the Rev. John Beatty was appointed domestic Governor and Steward. In 1840 the Rev. John Beatty was appointed Governor for a second term, and the Rev. Daniel C. Van Norman, B.A., was appointed Professor of Mathematics. In the year 1841, after mature deliberation, the Academy was incorporated under the name and style of VICTORIA COLLEGE, with all the powers and privileges of a University. There was thus provided for the youth of Canada the facilities of a liberal and English education. During the years of its existence as an Academy, it accomplished much good, and gave a sound education on a religious basis to hundreds of youth, both male and female.\* Since its incorporation it has by God's blessing been made an Institution whose professors and teachers, their thorough classical training, the number and intellectual rank of her students, will not suffer by comparison with any other similar Institution in the Dominion.

## II.—HAMILTON WESLEYAN FEMALE COLLEGE.

This Institution is located in the City of Hamilton, at the head of Lake Ontario, and is owned by a company of stockholders, but is under the control of the General Conference of the Methodist Church of Canada. Prior to the opening of this College in 1861, comparatively little had been done for the higher education of the daughters of Ontario. In 1847, a Ladies' Academy was established at Picton, by the Rev. Daniel McMullen, and about the same time Burlington Ladies' Academy was begun in Hamilton, by Rev. Daniel C. VanNorman, M.A. In 1857, through the instrumentality of the Rev. Samuel Rose, the Dundas Ladies' College was established. These Institutions for a time rendered valuable service in the cause of education, and, without doubt, largely prepared the way for the more permanent Hamilton College. In 1859, an opportunity presenting itself of obtaining a large building in a prominent locality in Hamilton, at greatly reduced value, it was resolved to purchase, transfer the Dundas Seminary to Hamilton, and procure a charter from the Legislature. This was done and the College was opened in September, 1861. The course of study is all that could be desired, and on its successful completion, the degrees of Mistress of English Literature, and Mistress of Liberal Arts are conferred. The Library and Cabinet are good, and valued at \$5,000, while the estimated value of the building is \$75,000.

The education furnished is broad and very thorough. Few institutions have so extensive a course, and those who graduate have to complete a very comprehensive and varied outline of studies. The teachers are all thoroughly educated and possess excellent teaching qualities. The staff is very large; the cost has been over ten thousand dollars per annum for teacher's salaries alone.

The appliances for teaching are the result of a wise concern on the part of the Directors to furnish the best facilities for understanding the subjects taught. The apparatus is sufficient for all experiments in natural philosophy and chemistry—charts of the most expensive kind, coloured so as correctly to illustrate the subject of study, whether in geology, mineralogy, natural history or botany, while the cabinets and collections of ferns and flowers furnish a very complete set of specimens in the various departments of science.

In the fine arts, oil painting, water colours, drawing from models and sketching from nature, pastel and modelling in plaster are taught by a teacher who has been most successful in this work, and under whom pupils have made rapid progress. In this department students have lessons five days of the week, and advanced pupils have the privilege of painting extra hours.

In music superior advantages are provided. The Professor of Music gives his whole time to this department. He has assistants thoroughly trained; and any student who is capable and willing may attain as thorough a knowledge of music as can be had in any institution in the Dominion. The teachers have the competency and the heart to teach.

The Modern Languages are taught by an accomplished European teacher, who has the advantage of being thoroughly conversant with the grammar of the English language. The Natural Sciences and Botany are taught by Rev. W. P. Wright, M.A., B.D., whose long experience has enabled him to bring special ability to this pleasant department of a student's work.

## III.—MOUNT ELGIN INDUSTRIAL INSTITUTION.

The records of the commencement and progress of this Institution are few and imperfect. We are indebted to the Rev. Thomas Cosford, its present efficient Governor, for the following sketch:

The leading Ministers and Members of our Church for years felt a very strong desire that suitable and efficient means should be devised for the education and elevation of the youth of the Indians of our country. In the year 1845, the late Rev. Peter Jones collected money in England and Scotland for this laudable purpose, and the different Bands of Indians very nobly set apart creditable amounts of money out of their annuities expressly for this Institution, which was placed in the hands of the Government to be paid to our Church for the erection of these buildings and the maintenance of this Institution. These buildings were erected under the direction of the judicious Senior Secretary of our Missionary Society, the Rev. Enoch Wood, D.D., during the years 1847 and 1848, and were opened in 1849, the Rev. Dr. Rice being the first Governor.

The object of this Institution is, to Christianize and elevate the Indian youth of our country, to teach the boys useful trades, viz.: Shoe-making, carpentering and cabinet-making, as well as the correct principles of farming; and the girls, sewing, knitting, spinning and general house work. In these pursuits many of the boys and girls make very creditable proficiency and become good workers, while a goodly number are now employed teaching School, others are assistant Missionaries, Local Preachers, Exhorters, Stewards and Class Leaders, while many have obtained greatly improved ideas and skill, as well as industry in farming; and the girls are also equally benefitted, being greatly improved in their modes and efficiency of house-keeping, as well as in their general intelligence, taste and acquirements.

Not less than about 650 of these Indian youth have been educated in this Institution, and many of them have enjoyed these advantages during a period of two, three, four, and some for five years. They are taken into the Institution, boarded, clothed and educated, under the most judicious and watchful care to promote their happiness, physical health, social habits and general deportment, while the most untiring efforts are made to promote their moral and religious interests; and further, the greatest care is taken to inculcate habits of *industry and frugality*, which are essential to the future prosperity and happiness of our Indians. With these they will become well to do, without them they must be poor.

## THE FARM.

The farm is in a good state of productiveness, it contains about 226 acres of rich land. The buildings are ample, and in a good state mainly. All the departments of the Institution are in a state of creditable prosperity. We now supply the Institution with all the farm products required, and have from six to eight hundred dollars worth to sell. We raised this year (1878) 836 bushels of wheat, 760 of oats, 285 of peas, 17,000 of corn in the ear, 500 bushels of mangles, 600 of turnips and 750 of carrots. Have 84 waggon loads of hay, and about 25 loads of other feed, besides a large quantity of wheat, oats and pea straw. ## IV.—STANSTEAD WESLEYAN COLLEGE.

The Institution is located in the village of Stanstead Plain, in the County of Stanstead, P.Q.

Unquestionably, in a sanitary point of view, no better location for an educational institution could have been selected. The village is situated on an elevated plateau in the midst of a highly cultivated agricultural country, and is noted for the purity of its air and water. It is exceptionally free from malaria and those forms of disease which prevail in summer.

For beauty and variety of scenery, Stanstead is without a rival in Canada, and the College is situated on one of its finest sites. In the foreground the country slopes away to Lake Memphremagog, which is four miles distant, and in view. The picturesque Green Mountains of Vermont and an

amphitheatre of lofty hills skirt the horizon, and the intermediate country is beautifully undulating and diversified. These rare natural advantages are well supplemented by art and culture. Residences and churches indicate a degree of wealth and taste not often found outside of large cities.

The aim of the founders of this Institution was to provide for youths of both sexes the means of a higher education, under wholesome Christian influences. Accordingly, the range of departments in which instruction is given has been made extensive, adapting the College to the wants of the people at large. While the Methodist Church of Canada has assumed the responsibility of its moral government and religious attitude, the leading Protestant denominations are represented among its stockholders, and upon its Faculty, and Board of Directors. Parents of all denominations may rest assured that the religious preferences of those entrusted to its care will be respected.

The College is fully equipped for doing a grand educational work. It has abundant accommodation for two hundred students. From its commencement it has taken high rank among the educational institutions of the country, and we believe it is destined to accomplish a large amount of educational work in the Province of Quebec.

### V.—ONTARIO LADIES' COLLEGE, WHITBY.

The commanding location and costly buildings secured for this institution are worthy of more than a passing notice. The town of Whitby is beautifully situated about thirty miles east of Toronto. The first object to arrest the attention of visitors is the Ontario Ladies' College, formerly Trafalgar Castle. It was built by N. G. Reynolds, Esq., Sheriff of the County of Ontario, for his own private residence, and was confessedly the largest and best private residence on this continent. The style of architecture is purely Elizabethan, and the workmanship is first-class. Its extent if regularly built would be about 80 x 100, with wing 55 feet. It contains about seventy different apartments, with four good stories of 10, 16, 15 and 12 feet respectively. It is surrounded by eight acres of lawn and garden, with choice shrubbery, ornamental and fruit trees. The owner expended on this splendid property, \$70,000 00. In the year 1873 it was offered for sale and the Rev. Joseph E. Sanderson, M.A., then stationed in Whitby, suggested the idea of purchasing the buildings and grounds for a Ladies' College. The project met with the favourable consideration of the Conference, and was eventually accepted. A joint stock company was organized, and Messrs. James Holden, R. Hatch, A. Ross, J. Richardson, J. L. Smith, G. Young Smith, J. S. M. Wilcox, J. Rice, and others advanced the necessary funds. The property was purchased for the sum of \$35,000.00, and arrangements were forthwith made for the opening of the College. Accordingly, on the 3rd of September, 1874, it was formerly opened by his Excellency, the Earl of Dufferin, then Governor-General of Canada. For beauty and healthfulness of location, for the comfort and pleasure of its pupils, the premises are without a rival in the Dominion.

During the four years the number of boarding pupils so far increased that the directors, in 1877, determined on the erection of additional buildings. Accordingly a residence for the Governor, and a spacious addition to the College have been built in beautiful harmony with the main building. Thus far the Institution has met with the highest expectations of its promoters and its prospects for the future are bright. The Board of Directors, twenty-one in number, seven of whom are Ministers appointed by the Conference, and fourteen laymen elected by the annual meeting of the Shareholders. The Annual Calendar supplies full information and may be obtained on application.

## VII.—MOUNT ALLISON WESLEYAN COLLEGE, SACKVILLE, N.B.

Sackville, the seat of the Mount Allison College and Academies, is situated on the line of the Intercolonial Railway, midway between Halifax and Saint John. Four Express trains connecting these cities pass daily, as well as Accommodation trains for nearer points. The various branches and extensive connections of the Intercolonial bring Sackville into direct railway or steamboat communication with all parts of the Maritime Provinces, as well as with the Western Provinces of the Dominion and the United States. The following historic sketch has been kindly furnished by the Rev. Charles Stewart, D.D. :—

The Educational Institutions of the Methodist Church, in Sackville, N.B., are the result of the Christian liberality of the late Charles F. Allison, Esq.

In the Centenary year of Methodism, 1839, he addressed a letter to the Chairman of the New Brunswick District, in which he gives utterance to the conviction that "the establishment of schools, in which pure religion is not only taught, but constantly brought before the youthful mind, and represented to it as the basis and groundwork of all the happiness of which man is capable, and eminently calculated to form the most perfect character," is "one of the most efficient means in the

DAVID ALLISON, LL.D.

order of Divine Providence, to bring about the happy result spoken of by the wise man, 'Train up a child in the way he should go; and when he is old he will not depart from it.'"

Mr. Allison then "proposed to purchase an eligible site, and erect suitable buildings for the establishment of a school of the description mentioned, in which not only the elementary, but the higher branches of education may be taught." His offer was accepted; but several months elapsed before the necessary arrangements could be made for commencing the building. On the 19th of June, 1840, the corner-stone was laid, and on the 19th of January, 1843, the Academy, having been completed and furnished, the actual work of the Institution was begun, under the Principalship of the Rev. H. Pickard, A.M., who continued to preside over its affairs, and to guide its advancing development till the year 1869, when he was succeeded by David Allison, LL.D., who continued in that office until 1873.

Besides the site, Mr. Allison contributed sixteen thousand dollars at first to build the Academy, and four hundred dollars annually, for three years afterwards, to assist in its maintenance. Subsequently, he gave four thousand dollars for the erection of the Female Academy, besides, what was of priceless value, a large amount of time, care, and personal attention, up to the close of his life in 1858.

The Female Academy, a commodious, elegant, and well-appointed building was opened in 1854,

and has been in successful operation ever since. The Rev. E. Evans, D.D., was its first Principal. In subsequent times it has been considerably enlarged and improved, and is undoubtedly unequalled in the Maritime Provinces, for its adaptation to the work of the higher education of the female sex. The curriculum for graduation is very complete; and the young ladies have the privilege of attending the class exercises and lectures in the adjoining College, or, if they desire it, of pursuing the full undergraduate course in Arts.

During the session of the New Brunswick Legislature, in 1857-8, "a Charter for the establishment of a College proper, to comprise a Theological Department," was granted to the trustees of the Institution, and at the following Conference of the Wesleyan Methodist Church, in Eastern British America, a resolution was recorded acknowledging it to be "an imperative duty to adopt measures for the accomplishment of this object at the earliest possible period." Shortly afterwards a fund was raised throughout the Connexion to endow the chair of Theology; and in the year 1861, the Rev. C. De Wolfe, D.D., was set apart as Professor of Theology—a position which he occupied till, in 1870, on account of failing health, he was compelled to resign.

In the year 1862, the College building having been completed, the work in it was commenced under the Presidency of Rev. Humphrey Pickard, D.D.; and in the Minutes of Conference for the following year, it is affirmed that, in the estimation of the Conference, this Institution with commodious edifice, efficient faculty, well-arranged curriculum, etc., is already entitled to take rank with the best Collegiate Institutions of the Provinces, and is worthy of the confidence and patronage of the public. These opinions have since been ratified by the success of the Institution, and by the high position among Colleges of British North America which it at present occupies.

In 1866 the original academy was totally consumed by fire, but by the energy of the Trustees and the generosity of the Methodist public, it was replaced by the present structure, which was opened in 1867. Other buildings, such as Lingley Hall, new school rooms, etc., have been added from time to time, so that the value of the entire property cannot now be less than \$70,000. The Provincial grant from the Legislature of New Brunswick was withdrawn in 1872, and in order to make up for this loss, and to provide more fully for the growing necessities of the College, an endowment fund was established in that year, and notwithstanding the dullness of trade which has since ensued, and the consequent failure, for the present to realize all that is required, yet between fifty and sixty thousand dollars have been secured for this purpose.

The Board of Governors consists of eighteen members, sixteen of whom are appointed quadrennially by the General Conference, and the other two annually by the Alumni Society. Established 1864, incorporated 1874.

MISS ADELAIDE H. WHITFIELD, - - - PRECEPTRESS.

The Mount Allison Ladies' Academy was opened for the reception of Students on Thursday, the 17th of August, 1864. The edifice was planned and finished for the express purpose of affording a pleasant, healthy, and in every respect desirable residence for young ladies requiring a course of liberal educational training. The main building is 160 feet long by 50 feet wide, three stories high, with a French roof. It is heated throughout with steam, each room being provided with one or more of Nason's Radiator's, fitted with valves, by which the temperature may be regulated at pleasure. The apartments are exceedingly commodious, and all are tastefully and comfortably furnished, so as to present a most inviting home for a large number of resident students. It is designed to be, in every respect, equal to any public institution devoted to the advancement of female education in the Dominion. The eminence on which the Academy is situated commands an extensive view of a rich and beautiful stretch of country. The surrounding grounds are well adapted for exercise and pleasant walks, secluded from public observation. The locality is specially noted for its healthfulness.

## X.—MANITOBA WESLEYAN INSTITUTE.

THIS Institution was originated and put into operation by the indefatigable labours of the Rev. George Young, D.D. The schools in Winnipeg in the year 1872 were of a very poor order. The day school was patronized by the poor principally, those who could afford it sending their children to the Nuns' Academy. Mr. Young, finding that the little boys and girls were learning what we as Protestants did not wish them to learn, opened a school first for small children, and employed a lady teacher. In 1873, the first schoolroom having become too small, a larger building was erected at a cost of about \$3,000, and named "The Manitoba Wesleyan Institute," of this the Rev. Allan Bowerman, M.A. was the first Principal, and subsequently the Rev. Thomas Morien, B.A. They were assisted by lady teachers. No sooner was this Institution fairly and successfully in operation than a complete common school system was established and the best of teachers secured for the schools in the city. As these schools were free, and all sending or not sending were taxed for their support, and as the fees charged for tuition at the Institute were necessarily high the attendance fell off largely, and, finding the expenditure to be much larger than the receipts it was deemed advisable to suspend operations in 1877. For a term of years the Institute did a good work, and we hope the time is not far distant when a flourishing college connected with our Church shall be established in Winnipeg.

## NEWFOUNDLAND.

THE Educational work of Methodism in Newfoundland is under the superintendency of the Rev. George S. Milligan, M.A., and is worthy of all praise.

## THE METHODIST ACADEMY AND MODEL AND TRAINING SCHOOLS AT ST. JOHN'S

Stands first in importance. From the Report for the year ending December 31st, 1877 we find that the pupils for that year numbered 149 boys and 94 girls, a total of 243, with five teachers.

## THE CARBONEAR METHODIST GRAMMAR SCHOOL

Numbers 68 pupils and is doing a good work under the care of the Rev. G. Philliskirk Story. The number of Public Schools under the direction of Methodist Boards of Education is eighty-five in twenty-five different School Districts. In these there are 4,381 pupils, to which may be added 181 for the Methodist Academy and 68 for the Carbonear Methodist Grammar School, making a total of 4,630 for the denomination, being an increase of 969 over the preceeding year. There are three scholarships established in connection with these Schools, open to all the youth of the Colony, as established by law, awarded according to merit by the Directors to candidates who are certified by the Superintendent as having passed the required examination.

Delegate to the General Conference of 1878.

Chairman of District, 1879.  
Elected Vice-President of General Conference, 1878.

On the occasion of his Transfer to the Toronto Conference, the following resolution, moved by Dr. Sanderson, and seconded by Rev. William S. Griffin, was unanimously adopted by the Conference by a rising vote:—

"This Conference cannot allow the occasion of the departure of the Rev. Dr. Rice from this to the Toronto Conference, with a view of occupying a distant field of labour and of responsibility, without placing upon record its high appreciation of the ability, fidelity and zeal which have distinguished our beloved brother in the various positions of trust and responsibility occupied by him. His wisdom in the councils of the Church, his sympathy with his brethren, will not be forgotten by us, any more than his indefatigable and successful efforts in the cause of female education. We part with Dr. Rice with great regret, and pray God to be with him in the future, as in the past, and to make the remainder of his life even a greater blessing to the Church of his affection than the past of his useful life has been."

NOTE.—Joseph Onesakenarat, familiarly known as Chief Joseph, is a Native Indian of the Iroquois tribe. He was born Sept 4th, 1845. Being trained from his childhood in the Roman Catholic Church he was sent by the priest of the Parish to the Montreal College, where he was trained for the priesthood. Finding a copy of the Scriptures in his native tongue, and being very desirous of understanding its truths, he was soon led to renounce all allegiance to the Church of his youth. In 1868, he was elected chief of his tribe, and with three other chiefs, was appointed a

deputation to confer with the Superintendent of the Indian Department in reference to the claims of the Indians to the Oka property, of which the priests of the Seignory of St. Sulpice claimed absolute possession. They were assured that the Seminary held the property for the benefit of the Indians, and if they would patiently wait justice would be done. Soon, however, grave complications arose between the priests and the Indians, which resulted in the imprisonment of Joseph and several others, but after fifteen days they were set at liberty, Chief Joseph declaring that the only thing of which they had been guilty was merely going to the priests and informing them that the Iroquois did not any longer wish instruction from them. Since then, however, so bitter has been the persecution kept up that Joseph has been placed in goal at St. Scholastique eight times. During one of these terms of imprisonment he translated the four Gospels from French into Iroquois. Since then he has translated the Acts, Romans and I. Corinthians, also Moody and Sankey's Gospel Hymns. As a scholar, his attainments are great. He translates with ease Iroquois, French and English. He hopes to have the entire New Testament translated during the present Conference year.

Since writing the above, we learn that Chief Joseph has been suddenly taken away from the Church Militant. He died Feb. 7th, 1881, aged 35 years and 5 months.

## Montreal Conference,

1874 to 1880.

The local oversight and care of this purely Mission work has been, since the organization of the Conference, confided to the Rev. John Borland, whose qualifications, untiring industry, matured experience and intense interest in the Evangelization of the French habitants of the Province of Quebec, have been of great advantage to this work.

NOTE. — For the history of all these Missions prior to 1874, see Missions of Canada Wesleyan Conference, in Book I. The grants from Mission Funds include salaries of teachers and interpreters.

## I. ST. JOHN.—QUEEN SQUARE.

This was known as the Germain Street charge until 1879. The old Germain Street Church having been destroyed in the great fire of June 20th, 1877, a new site was secured for the erection of what is now known as the Queen Square Methodist Church, the corner stone of which was laid August 8th, 1878. On July 13th, 1879, the congregation, which since the fire had been worshipping in King's Hall, began the occupancy of the school-room of the new church, and on Sunday, October 5th, 1879, the church was publicly dedicated to the worship of God.
